1 (Trial resumed)

2 (In open court; jury not present)

3 THE COURT: Please remain standing for our jury. Good  
4 morning.

5 Yes. If you'll come up and take the stand. Thank  
6 you.

7 (In open court; jury present)

8 THE COURT: All right. Ladies and gentlemen, please  
9 be seated.

10 You may be seated as well. Good morning. I hope you  
11 had a good evening. We're well rested, and we're back in  
12 action.

13 Without further ado, the Court reminds  
14 Special Agent Jensen that she is still under oath.

15 Mr. Lee, you may continue.

16 ELIZABETH JENSEN, resumed.

17 called as a witness by the Government,

18 having previously been duly sworn, testified as follows:

19 DIRECT EXAMINATION (Cont'd)

20 BY MR. LI:

21 Q. Good morning, Special Agent Jensen.

22 A. Good morning.

23 Q. Do you remember testifying yesterday about your recorded  
24 telephone conversation with Peter?

25 A. I do.

K2CYBRI1

Jensen - Direct

1 MR. LI: Ms. Fetman, could we please pull up for  
2 identification only Government Exhibit 5T.

3 Q. Special Agent Jensen, do you recognize this exhibit?

4 A. I do.

5 Q. What is it?

6 A. It's a transcript.

7 Q. What is the transcript of?

8 A. Of excerpts from the recorded telephone conversation.

9 Q. Is it a fair and accurate transcript of the clips in  
10 Government Exhibit 5?

11 A. That's correct.

12 MR. LI: The government offers Government Exhibit 5T  
13 as an aid for the jury.

14 MS. GALLICCHIO: No objection.

15 THE COURT: All right. Ladies and gentlemen,  
16 Government Exhibit 5T is admitted.

17 (Government's Exhibit 5T received in evidence)

18 THE COURT: I will explain the use of this. You may  
19 find the transcript of a recording to be helpful to you in  
20 listening to that recording.

21 If, however, you hear something different than what  
22 appears on the transcript, it's what you hear that controls  
23 over the transcript. The transcript is just there to help you  
24 in listening.

25 So if there is something in the transcript that you

K2CYBRI1

Jensen - Direct

1 don't hear on the tape or you hear something else on the tape,  
2 that's what controls. But it's an aid. That's all.

3 Please go ahead.

4 MR. LI: Ms. Fetman, please publish Government Exhibit  
5 5T for the jury, and please play Government Exhibit 5A which is  
6 in evidence.

7 (Audio played)

8 THE COURT: You don't have something up on your  
9 screen? Okay. Let's see whether can get that fixed. I was  
10 hoping we had that completely fixed overnight. There may be a  
11 button that needs to be pushed on somebody's unit. No.  
12 There's no button to be pushed on anybody's unit.

13 MR. LI: It is showing on the back screen. I'm not  
14 sure if that makes a difference.

15 THE COURT: Before we had technology, a lawyer would  
16 have had copies of the transcript and would have come to court  
17 with the copies. And then we would not have had a slowdown.  
18 Sometimes paper works better.

19 (Pause)

20 THE COURT: There is something else you can do. I  
21 don't know whether this will also suffer from the same  
22 infirmity, but there's an Elmo inside of that podium, sir.  
23 There's a drawer. If we can put the transcript up on that,  
24 maybe that will come up on the screen.

25 Can you see that? No. Nothing. Now let's try it one

K2CYBRI1

Jensen - Direct

1 more time with the transcript that you had. Maybe it was  
2 whatever has fixed itself.

3 If you can switch it back to the electronic transcript  
4 there.

5 JUROR: We had it for a split second.

6 THE COURT: Just wait. Let's see.

7 JUROR: It's changing though. Something is happening.  
8 Then you just did something, and we can see something  
9 happening, and it's just dark.

10 THE COURT: Thank you very much.

11 Go ahead, Mr. Li.

12 MR. LI: All right. Ms. Fetman, if we could restart  
13 Government Exhibit 5A, please.

14 (Audio played)

15 MR. LI: Ms. Fetman, please play Government Exhibit  
16 5B.

17 (Audio played)

18 MR. LI: Ms. Fetman, please play Government Exhibit  
19 5C.

20 (Audio played)

21 MR. LI: Ms. Fetman, please play Government Exhibit  
22 5D.

23 (Audio played)

24 BY MR. LI:

25 Q. Special Agent Jensen, are you the woman on that call?

K2CYBRI1

Jensen - Direct

1 A. That's correct.

2 Q. What is the video that's being shown on these clips that we  
3 just saw?

4 A. At the time of the call, all I had was my bureau-issued  
5 cellphone. So I just took an audio recording while on my  
6 covert cell phone.

7 Q. Special Agent Jensen --

8 THE COURT: You took a video recording which picked up  
9 the audio?

10 THE WITNESS: That's correct.

11 THE COURT: Thank you.

12 MR. LI: Ms. Fetman, we can pull down Government  
13 Exhibit 5D. Thank you.

14 Q. Special Agent Jensen, after your phone call with Peter on  
15 May 17, 2019, did you continue to communicate with each other?

16 A. I did.

17 Q. Did you communicate on WhatsApp?

18 A. That's correct.

19 MR. LI: Ms. Fetman, please pull up Government Exhibit  
20 3A again, which is in evidence.

21 Please turn to page 57.

22 Q. Special Agent Jensen, can you read the first green chat  
23 message on the right which is dated May 17, 2019, at 4:13 p.m.  
24 I'll read the blue chat message on the left.

25 A. "Great chatting with you."

K2CYBRI1

Jensen - Direct

1 Q. "And you."

2 What chat were you referring to in this exchange?

3 A. I was referring to the telephone call we just had.

4 Q. Is that the same telephone call that we just played for the  
5 jury?

6 A. That's correct.

7 MR. LI: Ms. Fetman, let's turn to page 61, please.

8 Q. I'll pick up with the last blue chat message on the left  
9 which is dated May 17, 2019, at 5:23 p.m.

10 Special Agent, Jensen, if you could continue reading  
11 just with the green bubbles on the right starting with the  
12 left: "Do you want the lessons to be hetero normative?"

13 A. "Sorry for my ignorance. What do you mean by that? As  
14 opposed to what?"

15 Q. "Does Kayla eat flowers and Braydon suck snakes?"

16 A. "Yes. Kayla licks mommy and Braydon sucks snakes."

17 Q. Special Agent Jensen, what did you understand "flowers" to  
18 mean in this conversation?

19 A. I was referring to a vagina.

20 Q. What did you understand "snakes" to mean in this  
21 conversation?

22 THE COURT: The witness can testify as to what she  
23 understood from the words. What she understood from the words  
24 doesn't necessarily mean what the person who uttered them or  
25 wrote them meant, but a witness is allowed to testify as to

K2CYBRI1

Jensen - Direct

1 what they understood the words to mean. And you'll take that  
2 for what it's worth.

3 Go ahead.

4 BY MR. LI:

5 Q. Special Agent Jensen, what did you understand "snakes" to  
6 mean in this conversation?

7 A. Referring to a penis.

8 MR. LI: Ms. Fetman, let's turn to page 68, please.

9 Q. Let's continue reading, beginning with the last green chat  
10 message on the right which is dated May 17, 2019, at 6:42 p.m.  
11 If you could, please, begin.

12 A. "I'm wondering how you teach her how to pleasure herself  
13 and you."

14 Q. "Some girls at a very early age discover that it feels good  
15 to rub certain bits. But otherwise, help her to discover that  
16 herself, touching or vibrating her clit, putting a finger  
17 inside or maybe a very tiny toy, how to hold my snake, showing  
18 her where the most sensitive parts of it are, the parts that  
19 feel best to lick or rub, how to take it in her hand and the  
20 kinds of motion that feel good."

21 A. "Yes. Helping her discover all the best parts are super  
22 important and can be tricky to master."

23 Q. "Yes. Gentle touching and teasing. Is Kayla virgin?"

24 A. "She has had the tip inside but not the whole cock."

25 Q. "Okay."

K2CYBRI1

Jensen - Direct

1 A. "Does that excite you lol?"

2 Q. "Yes, but I think the tip might be all I can manage."

3 Let's stop there.

4 Ms. Fetman, let's turn to page 74, please.

5 Q. Special Agent Jensen, do you see the second green bubble to  
6 the right which is dated May 19, 2019, at 5:25 p.m.?

7 A. I do.

8 Q. What is the content of that message?

9 A. That is a photo of me, and it says: "Lol. Me at work."

10 Q. And that text you just described -- what is that text?

11 A. I'm sorry?

12 Q. The text you just described, "Lol. Me at work" -- where do  
13 you see that?

14 A. Underneath the photo.

15 MR. LI: Ms. Fetman, could we please pull up  
16 Government Exhibit 3M, please.

17 Q. Special Agent Jensen, what is Government Exhibit 3M?

18 A. That's a photo that I sent.

19 Q. Is this the same picture that you sent Peter on the  
20 WhatsApp chat?

21 A. That's correct.

22 Q. Why did you send Peter a picture of yourself?

23 A. He asked: "I'd still love to get a picture of you all."

24 Q. Did Peter also request any pictures of the purported  
25 children?

K2CYBRI1

Jensen - Direct

1 A. That's correct.

2 Q. Did you send Peter any pictures of the purported children?

3 A. I did.

4 MR. LI: Ms. Fetman, let's take down Government  
5 Exhibit 3M. Let's turn to page 75, please, on Government  
6 Exhibit 3A.

7 Q. Special Agent Jensen, do you see the two small photographs  
8 on this page to the right?

9 A. I do.

10 Q. Are these the pictures that you sent to Peter of the  
11 purported children?

12 A. That's correct.

13 Q. Are these the first pictures that you sent Peter of the  
14 purported children?

15 A. Also correct.

16 Q. Were the children wearing clothes?

17 A. Yes.

18 Q. Can you see the faces of the children?

19 A. I cannot.

20 Q. Where did you obtain the pictures of the children?

21 A. So we have stock photos approved by the bureau. Once we  
22 get supervisor permission, we're allowed to use them.

23 MR. LI: Ms. Fetman, please turn to page 76, please.  
24 If we could focus in on that first green chat bubble on the  
25 right.

K2CYBRI1

Jensen - Direct

1 Q. Special Agent Jensen, what is this?

2 A. That's another photo that I sent.

3 Q. What's the time stamp on this?

4 A. On May 19, 2019, at 5:30:10 p.m.

5 Q. What is the caption on this?

6 A. It says: "Here's one before play time."

7 Q. What's the content of this message?

8 A. A photo of my face between her upper thigh.

9 Q. When you say "her thigh," who are you referring to?

10 A. My purported seven-year-old daughter.

11 Q. After you sent this photograph, how long did it take for  
12 Peter to respond?

13 A. Twenty-seven seconds.

14 Q. What was his response?

15 A. "Oh."

16 Q. Can you continue.

17 A. "Play time sounds fabulous."

18 Q. Let's continue reading the chat messages following his  
19 response.

20 If you could please start with the green chat messages  
21 on the right, and I'll read the blue chat messages on the left.

22 A. "Oh, yes." Always a fabulous time."

23 Q. "Kissing her flower. I'm sure it's beautiful. How big a  
24 boy is Braydon?"

25 A. "Whatcha mean? How big is what?"

K2CYBRI1

Jensen - Direct

1 Q. "His manhood!"

2 A. "Ohhh. Lol."

3 Q. What is your response following that message you just read?

4 A. I sent a photo with my fingers indicating his purported  
5 size with text stating: "Like the size of half a crayon."

6 Q. The response at May 19, 2019, at 5:52 p.m. is: "Oh, cute."

7 A. "How big are you?"

8 Q. "I have a picture if you'd like."

9 A. "I was just wondering how big it would be for them lol."

10 Q. How did Peter respond to that last message you just read?

11 A. He sent a photo of his penis.

12 Q. After this exchange, did Peter continue to request pictures  
13 of the children?

14 A. He did.

15 MS. GALLICCHIO: Objection to that characterization.

16 THE COURT: Rephrase your question. Sustained. The  
17 objection is sustained.

18 Rephrase your question.

19 BY MR. LI:

20 Q. After this picture, did Peter request any pictures of the  
21 children?

22 MS. GALLICCHIO: Objection.

23 THE COURT: That I'll allow.

24 Go ahead.

25 THE WITNESS: Yes.

K2CYBRI1

Jensen - Direct

1 MR. LI: Ms. Fetman, let's turn to page 90, please.

2 THE COURT: The jury understands in context, because  
3 you've heard the testimony, that there is no dispute that there  
4 were no actual children. So the reference to "children" --

5 Am I correct, Special Agent Jensen, are to the  
6 children who you were describing in the chat? Is that correct?

7 THE WITNESS: That's correct.

8 THE COURT: Go ahead.

9 BY MR. LI:

10 Q. Special Agent Jensen, could you please read the last blue  
11 chat on the left which is dated May 20, 2019, at 11:42 a.m.

12 A. "I must admit, I'd love to have more pictures of the three  
13 of you. The one with you kissing Kayla's thigh is thrilling.  
14 I only wish I could see what happens next!"

15 Q. Following this message, did you send Peter any additional  
16 pictures of the purported children?

17 A. I did.

18 MR. LI: Ms. Fetman, let's turn to page 84, please.

19 Q. Let's begin reading with the second blue chat message to  
20 the left which is dated May 20, 2019, at 8:50 a.m. I'll  
21 continue to read the blue chats. If you could, please, read  
22 the green chats.

23 "So my concern is am I being set up here?"

24 A. "What do you mean set up"?

25 Q. "I was struck by the fear yesterday that I'd been met by a

K2CYBRI1

Jensen - Direct

1 cop or something."

2 A. "Funny. I was thinking the same thing about you, like  
3 maybe you told on me or something."

4 Q. "Haha. I think it's just a little momentary insecurity  
5 because I'm also very excited."

6 Let's stop there.

7 Mr. Special Agent Jensen, did there come a time when  
8 you met the defendant in person?

9 A. I did.

10 Q. Did you record the meeting with the defendant?

11 A. I attempted to.

12 Q. When you say you "attempted to," what do you mean by that?

13 A. I grabbed a bureau-issued device. I turned it on and  
14 started recording. Unbeknownst to me, the batteries died.  
15 Then when I got back, there was no -- there was 6 seconds of  
16 content.

17 Q. Were you able to record the complete meeting with the  
18 defendant?

19 A. No, I did not.

20 Q. Did anyone else record the meeting with the defendant?

21 A. Yes.

22 Q. Who did that?

23 A. The defendant.

24 Q. When did the meeting occur?

25 A. On May 22, 2019.

K2CYBRI1

Jensen - Direct

1 Q. What day of the week is May 22, 2019?

2 A. A Wednesday.

3 Q. When did you realize the meeting was going to happen?

4 A. Ten of 2:00 when the defendant sent a text and then after  
5 2:00 when he said he was a few minutes away.

6 Q. Prior to receiving that text message, were you planning to  
7 meet the defendant that day?

8 A. We had set up Wednesday as a time to meet. I hadn't heard  
9 from him all day.

10 MR. LI: Ms. Fetman, let's turn to Government Exhibit  
11 3A, please, at page 129.

12 Q. Special Agent Jensen, do you see the top blue text bubble  
13 on the left where it reads: "I'm a few minutes away"?

14 Do you see that?

15 A. I do.

16 Q. Was that the message from the defendant that you were  
17 referring to just now?

18 A. That's correct.

19 Q. When did Peter send this message?

20 A. It was on May 22, 2019, at 2:02:25 seconds.

21 Q. Where were you when you saw this message?

22 A. I was still in my squad area at my desk.

23 Q. What did you do when you saw the message?

24 A. So I looked around, told my squad mates, he's there. We've  
25 got to go. I asked who was available to go. We grabbed

K2CYBRI1

Jensen - Direct

1 things. We did a brief --

2 THE COURT: I asked two of the what to go?

3 THE WITNESS: I asked others to go.

4 THE COURT: You asked others.

5 What do you mean by "others?" What others?

6 THE WITNESS: Other agents and task force officers.

7 THE COURT: Thank you. Go ahead.

8 THE WITNESS: So I asked who was available. We  
9 huddled, briefed, and then departed to the location, some by  
10 foot; some by car. And then we drove over or walked over.

11 BY MR. LI:

12 Q. How many agents were with you?

13 A. Between agents and task force officers, there were  
14 approximately eight, including myself.

15 Q. What was the plan?

16 A. So the plan was that I would be undercover to go meet.  
17 Jumped in the car, drove up to the location. I jumped out on  
18 Hudson, walked up to the park. He had already been there  
19 waiting. Once we got there, we would talk. Then to effect the  
20 arrest, we would walk to a location where we both would get  
21 arrested.

22 Q. Where did the meeting occur?

23 A. The actual meeting occurred in Duane Park, right on Hudson  
24 and Duane.

25 Q. Is that in Manhattan?

K2CYBRI1

Jensen - Direct

1 A. That's correct.

2 MR. LI: Ms. Fetman, we can take down 3A. Let's put  
3 up government 7 for identification only.

4 Q. Special Agent Jensen, do you recognize this?

5 A. I do.

6 Q. What is it?

7 A. It's a photo of the location where I met with the  
8 defendant.

9 Q. Who took this photograph?

10 A. I did.

11 Q. When did you take it?

12 A. I took it in January 2020.

13 Q. Is this a fair and accurate reproduction of the photograph  
14 you took?

15 A. That's correct.

16 MR. LI: The government offers Government Exhibit 7.

17 MS. GALLICCHIO: No objection.

18 THE COURT: Received.

19 (Government's Exhibit 7 received in evidence)

20 MR. LI: Ms. Fetman, please publish Government Exhibit  
21 7 for the jury.

22 Q. Special Agent Jensen, could you please describe where in  
23 the photograph you met the defendant.

24 A. I would say by the fence like the corner area to like the  
25 left of the streetlight, in that general vicinity.

K2CYBRI1

Jensen - Direct

1 Q. What happened when you got to the park?

2 A. So once I got to the park, he was already there. We  
3 discussed how the meeting went. We talked about the STD panel,  
4 what he would like to do. He had texted about practicalities  
5 and logistics. And then I asked him, can you handle two kids?

6 He said yes.

7 And then I asked him, do you want to walk over.

8 He said yes.

9 Q. What happened next?

10 A. We walked up Duane, and then we were crossing the street.  
11 I saw a flock of kids, and then we turned and were both  
12 arrested on the corner of Duane and Hudson.

13 MR. LI: Ms. Fetman, let's take down Government  
14 Exhibit 7 and put up Government Exhibit 8 for identification  
15 only.

16 Q. Special Agent Jensen, do you recognize this?

17 A. I do.

18 Q. What is it?

19 A. It's a photo that I took of the location where we were both  
20 arrested.

21 Q. When did you take this photograph?

22 A. I took it the same day as the other photograph, in  
23 January 2020.

24 Q. Is this a fair and accurate reproduction of the photograph  
25 you took?

K2CYBRI1

Jensen - Direct

1 A. That's correct.

2 MR. LI: The government offers Government Exhibit 8.

3 MS. GALLICCHIO: No objection.

4 THE COURT: Received.

5 (Government's Exhibit 8 received in evidence)

6 MR. LI: Ms. Fetman, please publish Government Exhibit  
7 8 for the jury.

8 Q. Special Agent Jensen, please describe where in the  
9 photograph the defendant was arrested.

10 A. We were both arrested to like the right of the mailbox kind  
11 of in front of the pole, the window area. When we were walking  
12 up, there were kids on the sidewalk. So we tried to go to the  
13 left out of the way.

14 Q. Did the arresting officers put you in handcuffs in front of  
15 Peter?

16 A. They did.

17 MR. LI: Ms. Fetman, we can take down Government  
18 Exhibit 8.

19 Ms. Fetman, can we put up Government Exhibit 1,  
20 please.

21 Q. Special Agent Jensen, do you recognize this?

22 A. I do.

23 Q. Can you just remind the jury what this is.

24 A. This is my KinkD profile.

25 Q. Do you see the line where it says: "My role, mommy"?

K2CYBRI1

Jensen - Direct

1 A. I do.

2 Q. Did you input the text "Mommy"?

3 A. When you set up your profile, there are different roles you  
4 can pick. So the box said, "Mommy." So that's what I  
5 selected.

6 Q. Could you have selected a different role?

7 MS. GALLICCHIO: Objection.

8 THE COURT: I think the witness just testified that  
9 there is a menu of options. I don't understand the question.

10 BY MR. LI:

11 Q. Special Agent Jensen, what are some of the other options  
12 you could have selected?

13 A. Daddy. Age player. That's all I recall.

14 Q. Do you recall whether there were any others?

15 A. It said, "Unsure."

16 Q. Do you recall whether there were any other options beyond  
17 that?

18 A. Oh, yeah. There were 29 you could pick from.

19 THE COURT: How many?

20 THE WITNESS: Twenty-nine.

21 THE COURT: Thank you.

22 MR. LI: Just a few final questions.

23 Ms. Fetman, please publish Government Exhibit 3A which  
24 is in evidence.

25 Q. Special Agent Jensen, how many messages did you and the

K2CYBRI1

2 A. 769.

3 Q. How many pages are in Government Exhibit 3A, the WhatsApp

6 Q. Do you remember your testimony earlier today about those  
7 chats?

8 A. I do.

9 Q. Do you remember your testimony yesterday about those chats?

10 A. I do recall.

11 Q. In the earlier testimony that you gave, did you discuss all  
12 132 pages of chats?

13 A. No.

14 Q. Have you reviewed all of the chats in preparing for your  
15 testimony today?

16 A. I have.

17 Q. I'd like you now to consider all of the chats in their  
18 totality.

19 In those 132 pages of messages, did the defendant ever  
20 ask to have sex with you?

21 A. No.

22 Q. In those 132 pages of messages, did the defendant ever ask  
23 you to pretend to be a child?

24 A. No.

25 Q. In those 132 pages of messages, did the defendant ever

K2CYBRI1

Jensen - Direct

1 discuss role play of any kind?

2 A. No.

3 Q. Did the defendant ask about sexual activity with the  
4 children?

5 A. Yes.

6 MS. GALLICCHIO: Objection. Characterization.

7 MR. LI: I'll rephrase.

8 THE COURT: Go ahead.

9 BY MR. LI:

10 Q. Did the defendant ever discuss any sex acts in the same  
11 conversation as your purported children?

12 A. Yes.

13 Q. Did the defendant ever ask for any pictures of the  
14 purported children?

15 A. Yes.

16 MS. GALLICCHIO: Objection.

17 THE COURT: Basis.

18 MS. GALLICCHIO: It's misstating the chats.

19 THE COURT: Overruled. You'll have cross-examination.

20 BY MR. LI:

21 Q. Did you send the defendant pictures of the purported  
22 children?

23 A. I did.

24 Q. After you sent the defendant pictures of the purported  
25 children, did the defendant continue to discuss sexual

K2CYBRI1

Jensen - Cross

1 activity?

2 A. That's correct.

3 Q. Did the defendant ever ask whether the children were really  
4 adults?

5 A. No.

6 MR. LI: No further questions at this time.

7 THE COURT: All right.

8 You may cross-examine.

9 CROSS-EXAMINATION

10 BY MS. GALLICCHIO:

11 Q. Good morning, agent Jensen.

12 A. Good morning.

13 Q. Agent Jensen, you know what a kink is; right?

14 A. A kink or KinkD?

15 Q. A kink, not the website.

16 A. That's correct.

17 Q. You know it refers to atypical sexual practices.

18 A. That's correct.

19 Q. And you know that a kink can involve fetishes or fantasies;  
20 is that correct?

21 A. That's correct.

22 Q. And it's actually the opposite of what's referred to as  
23 "vanilla sexual practices." Right?

24 A. That's correct.

25 Q. You're familiar with that term, "vanilla sexual practices."

K2CYBRI1

Jensen - Cross

1 Is that right?

2 A. That's correct.

3 Q. That's a term that refers to conventional sexual practices;  
4 right?

5 A. Also correct.

6 Q. And you know that there are a lot of manifestations of  
7 kinky sex; right?

8 A. What do you mean by that?

9 Q. Well, bondage can qualify as kinky sex.

10 A. That's correct.

11 Q. Dominance and submission. Right?

12 A. Also correct.

13 Q. Sadism and masochism; right?

14 A. That's right.

15 Q. And there's a term called BDSM; right?

16 A. That's correct.

17 Q. And that stands for those things; right?

18 A. Yes.

19 Q. A lot of kinky sexual activities involve role playing;  
20 right?

21 A. That's correct.

22 Q. And role playing is when two adults act out a scene; right?

23 A. That's correct.

24 Q. It is like taking on a role and being an actor.

25 A. That's correct.

K2CYBRI1

Jensen - Cross

1 Q. And you are familiar with a kink called age playing?

2 A. Also correct.

3 Q. It is a form of dominance and submission; right?

4 A. I think you have to set the roles to age play.

5 Q. I'm sorry. Say that again.

6 A. I think that age players set the roles that they're going  
7 to encompass.

8 Q. Right. And one age player commonly plays the dominant  
9 role, and one age player commonly plays the submissive role.  
10 Right?

11 A. That could be correct.

12 Q. It's a form of kink where age players play out a sexual  
13 fantasy. Right?

14 A. That's correct.

15 Q. It's like acting again. Right?

16 A. Correct.

17 Q. It's consensual; right?

18 A. Yes.

19 Q. And between adults; right?

20 A. Also correct.

21 Q. And you know that there is language that's associated with  
22 age play.

23 A. Correct.

24 Q. For example, there's a term that's often referred to as  
25 "daddy dom little girl." Right?

K2CYBRI1

Jensen - Cross

1 A. Yes.

2 Q. You've seen that before?

3 A. That's correct.

4 Q. So "daddy dom," meaning daddy is the dominant player.

5 Right?

6 A. Correct.

7 Q. And then the second part of that is "little girl" is the  
8 submissive player.

9 A. Also correct.

10 Q. And that's often referred to as DDLG, rather than writing  
11 the whole thing out.

12 A. Yes.

13 Q. And in addition, age players often take on a title like  
14 "daddy."

15 A. Yes.

16 Q. Like "mommy."

17 A. Yes.

18 Q. Like "prince."

19 A. Sure.

20 Q. And "princess."

21 A. Correct.

22 Q. Like "angel."

23 A. Correct.

24 Q. And they talk about their sexual activity as "play time."

25 A. Correct.

K2CYBRI1

Jensen - Cross

1 Q. And age players frequently refer to -- actually, strike  
2 that.

3 They often refer to the submissive role, the person  
4 playing the younger, the child, as "a little."

5 A. Correct.

6 Q. And age players don't refer to their "little" or their  
7 submissive partner as a daughter or a son; right?

8 A. Right. They say "a little." Yes.

9 Q. And often they use cute terms like "angel" or "prince" or  
10 "princess." Right?

11 A. I imagine, yes.

12 THE COURT: Don't imagine. If you know, you should so  
13 testify. If you don't know, you should say, I don't know. But  
14 don't imagine. If you mean something other than "imagine,"  
15 then you can answer.

16 THE WITNESS: I've never witnessed an age player or  
17 role player refer to their "little" as a "prince" or a  
18 "princess."

19 BY MS. GALLICCHIO:

20 Q. We'll get to that in a minute.

21 There's often activity or scenes that are acted out by  
22 age players; right?

23 A. Correct.

24 Q. For example, they might act out bath time. Right?

25 A. Correct.

K2CYBRI1

Jensen - Cross

1 Q. Or they might act out bedtime, putting the "little" to bed.  
2 Right?

3 A. Correct.

4 Q. They might engage in discipline like spanking.

5 A. Correct.

6 Q. They might engage in a fantasy where they're teaching their  
7 "little" about sex; right?

8 A. Correct.

9 Q. They might engage in a fantasy where a daddy teaches the  
10 "little" about her body; right?

11 A. Correct.

12 Q. Kind of like teaching the birds and the bees; right?

13 A. Correct.

14 Q. Now, in your job, you are searching for child molesters;  
15 right?

16 A. We're out there. Yes.

17 Q. You're not looking for age players.

18 A. Correct.

19 Q. And you search for online predators as part of your job;  
20 right?

21 A. Well, we're on a sort of platform that enables us to locate  
22 certain offenders.

23 Q. And part of that is online; right?

24 A. Definitely.

25 Q. Because some predators are online; right?

K2CYBRI1

Jensen - Cross

1 A. Correct.

2 Q. And the FBI has a division dedicated to this cause of  
3 seeking out predators, child predators. Right?

4 A. Yes. Correct.

5 Q. And you are part of that division; right?

6 A. Also correct.

7 Q. And you refer to it or it is called the Crimes Against  
8 Children Division?

9 A. Correct.

10 Q. There is also something called the Child Exploitation Unit.

11 Is that the same thing?

12 A. Yes. It's the same thing.

13 Q. And you have had extensive training to prepare for your job  
14 as an undercover officer -- agent. Excuse me -- in the Crimes  
15 Against Children Unit. Right?

16 A. Correct.

17 Q. And there are many agents, other than yourself of course,  
18 dedicated to this job.

19 A. Yes.

20 Q. Other than agents, I would assume you have technology  
21 experts; right?

22 A. Yeah.

23 Q. Because a lot of your searching is online; right?

24 A. That's correct.

25 Q. And you also work in cooperation with other law enforcement

K2CYBRI1

Jensen - Cross

1 agencies.

2 A. Yes. We are a task force.

3 Q. Both locally and internationally; right?

4 A. Are you asking if I work internationally with other people?

5 Q. Do you sometimes collaborate with other international  
6 organizations to find a sexual predator?

7 A. Yes. That's correct.

8 Q. Now, when you're looking online, you're looking where  
9 children would be. Right?

10 A. No. Not necessarily. We have multiple platforms that  
11 we're on that are geared toward adult only, and the sexual  
12 exploitation of children are there too.

13 Q. But some of the things you do is you look to see where a  
14 child molester might be lurking. Right?

15 A. Can you reframe your question.

16 Q. Would it be fair to say that you would often look in places  
17 where you would expect a child molester to be lurking?

18 A. We go online platforms that have supported offenders in the  
19 past or the like of offender.

20 Q. So, for example, have you looked on Facebook?

21 A. Correct.

22 Q. Have you looked on Instagram?

23 A. Correct. Snapchat. Yes. And offenders are there.

24 Q. Right. And those are commonly places where young people  
25 and teens are. Right?

K2CYBRI1

Jensen - Cross

1 A. Sure.

2 Q. You also look on something called the dark web.

3 A. I don't. Others in other divisions are dedicated to that  
4 platform only.

5 Q. And that is part of the internet that is encrypted in some  
6 way; right?

7 A. I imagine so. I'm not involved with the dark internet or  
8 dark web.

9 Q. But you heard of it; right?

10 A. Correct.

11 Q. There are other agents in your unit that, as you said, are  
12 specifically assigned to that project. Right?

13 A. Not in the area in New York.

14 Q. So in the Child Exploitation Unit --

15 A. Overall I would imagine, yes.

16 Q. Do you know for sure?

17 A. That there are people dedicated to it?

18 Q. Yes.

19 A. Yes.

20 Q. And this is often a place where child molesters share child  
21 pornography. Right?

22 A. I imagine so, but I don't have firsthand knowledge.

23 THE COURT: Here is the thing: You can testify to  
24 what you know based on your knowledge and experience. You  
25 can't speculate, and you can't imagine or guess at an answer.

K2CYBRI1

Jensen - Cross

1 So if you don't know, say, I don't know. But don't imagine the  
2 answer or don't guess at the answer. Don't speculate at what  
3 the answer is. Okay?

4 THE WITNESS: Yep.

5 THE COURT: Next question.

6 BY MS. GALLICCHIO:

7 Q. So in this case, you went looking, or you started a profile  
8 on an adult kinky dating site. Right?

9 A. That's correct.

10 Q. That's called KinkD; right?

11 A. Right.

12 Q. Before you joined KinkD, I assume you did some research on  
13 the app.

14 A. Correct.

15 THE COURT: Is that a question?

16 MS. GALLICCHIO: Yes. That's a question.

17 Q. Is that correct?

18 A. I knew of the website.

19 Q. So you actually looked at the website; right?

20 A. I know it's marketed towards BDSM. I know it's a kinky  
21 website. But if you're asking me if I did a thesis on KinkD,  
22 no.

23 THE COURT: The question was: Before you went on the  
24 website, did you look at the website. I think that was the  
25 question.

K2CYBRI1

Jensen - Cross

1 MS. GALLICCHIO: Yes.

2 THE WITNESS: Yes. I knew the website, but I didn't  
3 do any research on the tenants of website.

4 BY MS. GALLICCHIO:

5 Q. So you didn't do any research on the targeted audience of  
6 the website or of the app?

7 A. I didn't look at -- I knew the website was geared towards  
8 BDSM and kinky fetishes and different sexual desires.

9 Q. It's dedicated to kinky sexual desires; right?

10 A. Correct.

11 Q. It's dedicated to adult kinky sexual desires; right?

12 A. Correct.

13 Q. Did you do any research on the KinkD community before you  
14 signed up on this website?

15 A. No.

16 Q. Did you consult any experts to help you understand the  
17 KinkD community?

18 A. I cooperated with other agents.

19 Q. Did you consult any psychologist or sexologist to  
20 understand the KinkD community?

21 A. I did not.

22 Q. But you did look at the website to see what it was about;  
23 right?

24 A. When you go to the app, yes.

25 Q. Aside from the app, there's an actual website. Right?

K2CYBRI1

Jensen - Cross

1 A. I did not look at the actual website.

2 Q. Ever?

3 A. No.

4 Q. Well, on the app, there is --

5 Actually, can we show to the witness only for  
6 identification Defense Exhibit C.

7 Take a look at Defense Exhibit C, Agent Jensen.

8 Do you recognize what that is?

9 A. I do.

10 MS. GALLICCHIO: Can we go to the second page, please.

11 Q. I want you to take a look at both pages.

12 Do you recognize them?

13 A. I do.

14 Q. Can you identify what it is.

15 A. Yes. When you download the app on whatever cellular device  
16 you're using, that comes up before you download it.

17 Q. Is this a fair and accurate representation of what the app  
18 looks like before you download it?

19 A. That's correct.

20 MS. GALLICCHIO: I would move to introduce Defense  
21 Exhibit C.

22 MR. LI: Objection, your Honor.

23 THE COURT: Basis.

24 MR. LI: Hearsay.

25 THE COURT: Are you offering it for the truth of its

K2CYBRI1

Jensen - Cross

1 content?

2 MS. GALLICCHIO: No, your Honor.

3 THE COURT: I'm going to receive it, not for the truth  
4 of its content, but the fact that it is said.

5 (Defendant's Exhibit C received in evidence)

6 So, ladies and gentlemen, what's the difference.  
7 Well, if something is admitted for the truth of its content,  
8 it's being admitted to prove that what is said in the words is  
9 true.

10 Here, I'm only accepting it for the proposition that  
11 this is what was said by KinkD about KinkD. It doesn't mean  
12 what KinkD said about KinkD is true or not true. It's just  
13 what they said about themselves. Okay?

14 Go ahead.

15 MS. GALLICCHIO: Thank you.

16 If we can go back to the first page and publish it for  
17 the jury.

18 Q. Do you see it, Agent Jensen?

19 A. I do.

20 Q. So this is the opening page of the app; right?

21 A. Correct.

22 Q. By the way, this app is something that's available on the  
23 Apple store app page; right?

24 A. That's correct.

25 Q. Is the not on the dark web; right?

K2CYBRI1

Jensen - Cross

1 A. Correct.

2 Q. So KinkD advertises itself as a kink, BDSM, dating life;  
3 right?

4 A. Correct.

5 Q. It says on the top of the page: "Fet, kinky life, and  
6 fetish dating." Right?

7 A. I don't see that. Yes, I do. I'm sorry.

8 MS. GALLICCHIO: Can we go to page 2.

9 Q. KinkD also has a page in which it describes its content;  
10 right?

11 A. Correct.

12 Q. Just looking at the top of the description, it describes  
13 itself as: "The best bondage, kink, fetish, and BDSM dating  
14 community. A premiere kinky chat and social network for kinky  
15 singles, couples, and swingers." Correct?

16 A. Correct.

17 (Continued on next page)

K2CAABRI2

Jensen - Cross

1 BY MS. GALLICHIO:

2 Q. Further down in the middle paragraph it states:

3 You are looking for -- are you looking for kinky sites  
4 or kinksters or personal apps for kinks and fetish alternative  
5 lifestyles? Now, you have come to the right place.

6 do you see that?

7 A. I do.

8 Q. And you read that before you signed up for this dating  
9 site, right?

10 A. Correct.

11 Q. It also says in that same paragraph as a mobile community  
12 KinkD only caters to open-minded people who want to meet, chat  
13 and hook up with other open-minded, right?

14 A. Correct.

15 Q. And you read that before you signed up for the app, right.

16 A. I did.

17 Q. So you actually obtained this app on the App Store, right?

18 A. Correct.

19 Q. And you downloaded it to your phone?

20 A. My undercover phone, yes.

21 Q. So, KinkD, the app, makes it very clear who they're  
22 targeted audience is, right?

23 A. It does.

24 Q. And that audience is adults interested in kinky sex?

25 A. That's correct.

K2CAABRI2

Jensen - Cross

1 Q. And when you sign-up you must confirm that you are 18 years  
2 or older?

3 A. Correct.

4 MS. GALLICCHIO: Can we put up Government Exhibit G1,  
5 please, in evidence.

6 (Pause)

7 Q. So when you signed up, Agent Jensen, you had to create a  
8 profile?

9 A. That's correct.

10 Q. And you did this yourself, right?

11 A. I did.

12 Q. And part of the creating a profile is picking a user name?

13 A. Correct.

14 Q. And the user name that you chose was "Princessmom"?

15 A. Correct.

16 Q. You also, actually, you know that that is an age-play term,  
17 right?

18 A. Princess, you can use it for a term of endearment.

19 Q. But you had already said earlier that "princess" and  
20 "prince" are age-play terms, right?

21 A. Yes.

22 Q. Now you created a self-summary and in your self-summary you  
23 said that you are looking for a teacher to teach my kids about  
24 the birds and the bees, right?

25 A. Correct.

K2CAABRI2

Jensen - Cross

1 Q. That's a playful way of referring to sex education,  
2 correct?

3 A. Correct.

4 Q. Now, in that summary you didn't say looking for a man to  
5 teach my son and my daughter about sex, right?

6 A. Correct.

7 Q. Or my children about sex, right?

8 A. That would be flagged by the people and taken down.

9 Q. So you have to be pretty ambiguous then, right?

10 A. Correct.

11 Q. And that is your intention here?

12 A. That's correct.

13 Q. Now, you also chose a role of "mommy", right?

14 A. Correct.

15 Q. Now, you already testified on direct examination that when  
16 you sign-up you are given an option of several roles, correct?

17 A. Correct.

18 Q. You said there are how many?

19 A. Twenty-nine.

20 MS. GALLICCHIO: If we could show to the witness only  
21 Defense Exhibit D for identification.

22 Q. You could take a look at Defense Exhibit D for  
23 identification, Agent Jensen; do you recognize what that is?

24 A. I do.

25 Q. What is it?

K2CAABRI2

Jensen - Cross

1 A. That's the shot where you can pick which role you want to  
2 put there.

3 Q. All right. So let's take a look at that. As you  
4 indicated, you chose "mommy", right?

5 A. Correct.

6 Q. So in this selection of 29 there also exists the option for  
7 a man to choose "daddy", right?

8 A. Correct.

9 Q. There's an option for "baby boy" right under "daddy",  
10 right?

11 A. Correct.

12 Q. There's an option for "dominant" and "submissive"?

13 A. Correct.

14 Q. There's an option for "baby girl"?

15 MR. LI: Objection.

16 THE COURT: Basis?

17 MR. LI: This is not before the jury.

18 THE COURT: Has this been offered?

19 MS. GALLICCHIO: No, it hasn't.

20 Q. So is this a fair and accurate representation of the role  
21 selection.

22 A. Yes.

23 MS. GALLICCHIO: I would move to move it into  
24 evidence.

25 MR. LI: No objection.

K2CAABRI2

Jensen - Cross

1 THE COURT: All right. It's received.

2 (Defendant's Exhibit D received in evidence)

3 MS. GALLICCHIO: Thank you. Excuse me.

4 May I have it published to the jury?

5 THE COURT: Yes.

6 Q. So let's start again. So this page shows the possible  
7 roles that someone can sign-up when they sign onto KinkD?

8 A. That's right.

9 Q. In here we see, obviously, I think in the middle of the  
10 second column is the option "mommy"?

11 A. That's correct.

12 Q. So you clicked on "mommy" and that shows up in your profile  
13 page?

14 A. That's correct.

15 Q. There's also other options here. The first one is  
16 "dominant", right?

17 A. Correct.

18 Q. There's also "submissive", right?

19 A. Correct.

20 Q. There is "daddy" as opposed to "mommy", right?

21 A. Yes.

22 Q. There's also the option to pick your role as a baby boy or  
23 a baby girl, right?

24 A. That's correct.

25 Q. It doesn't mean you are a baby boy or a baby girl. That's

K2CAABRI2

Jensen - Cross

1 role you are going to play, right?

2 A. Correct.

3 Q. The same thing with "mommy" and "daddy" you don't  
4 necessarily have to be a mommy or daddy to pick that role,  
5 right?

6 A. That's correct.

7 Q. It's a role you are going to play on KinkD?

8 A. That's correct.

9 Q. There's also an option for "a little"?

10 A. Correct.

11 Q. We talked about that earlier that's often what submissive  
12 role players refer to themselves as, right?

13 A. That's correct.

14 Q. It doesn't mean they're a little person?

15 A. Correct.

16 Q. And there's also an option for "age-player" which spells it  
17 out, right?

18 A. Correct.

19 MS. GALLICCHIO: We could take that down. Thank you.

20 (Pause)

21 Q. All of these roles that we saw in Defense Exhibit D are  
22 examples of age-play words, right?

23 A. Correct.

24 Q. The way age-players recognize each other?

25 A. Correct.

K2CAABRI2

Jensen - Cross

1 Q. They're common in the KinkD community?

2 A. Correct.

3 Q. You've also indicated on your profile that you have been  
4 kinky for two years, right?

5 A. Correct.

6 MS. GALLICCHIO: Could I have Defense Exhibit F,  
7 please, just for identification only shown to the witness.

8 (Pause)

9 Q. Now, before I get to that, when you sign-up for KinkD you  
10 also can include a profile picture, right?

11 A. I believe you have to.

12 Q. OK. And so you did that?

13 A. Yeah.

14 Q. And take a look at Defense Exhibit F.

15 A. Yes.

16 Q. Do you recognize that?

17 A. I do.

18 Q. What is it?

19 A. It's a side profile of my face.

20 Q. Does that have anything to do with KinkD?

21 A. Yes.

22 Q. In what way?

23 A. That was my profile photo.

24 Q. Does that fairly and accurately represent your profile  
25 photo on KinkD?

K2CAABRI2

Jensen - Cross

1 A. It does.

2 MS. GALLICCHIO: I would move that into evidence, your  
3 Honor.

4 MR. LI: No objection.

5 THE COURT: Received.

6 (Defendant's Exhibit F received in evidence)

7 MS. GALLICCHIO: Publish it to the jury please.

8 (Pause)

9 Q. Now, in this photograph this is a photograph of only you,  
10 right?

11 A. Correct.

12 Q. You don't include any kids in this picture, right?

13 A. No.

14 Q. And this is your real picture?

15 A. That's correct.

16 MS. GALLICCHIO: OK. Take that down. Thank you.

17 Q. And so this is where you met Mr. Bright?

18 A. Correct.

19 Q. You saw his profile?

20 A. Correct.

21 Q. And after you saw his profile he reached out to you, right?

22 A. Rephrase that.

23 Q. After you looked at his profile, at some point he reached  
24 out to you?

25 A. No. He reached out to me.

K2CAABRI2

Jensen - Cross

1 Q. That's what I said.

2 THE COURT: No. No. Ask your question again.

3 MS. GALLICCHIO: I'm sorry.

4 Q. You looked at his profile?

5 THE COURT: At what point in time?

6 Q. You looked at his profile after he reached out to you?

7 A. That's correct.

8 Q. He reached out to you and not you to him; is that right?

9 A. Correct.

10 MS. GALLICCHIO: Sorry, if I was confusing.

11 If we could show to the witness for identification  
12 only Defense Exhibit A.

13 (Pause)

14 MS. GALLICCHIO: And could we scroll through it,  
15 please.

16 (Pause)

17 MS. GALLICCHIO: Put the three pages on the same  
18 screen, please, Mr. Fisher.

19 (Pause)

20 Q. Can you see that, Agent Jensen?

21 A. I can.

22 Q. Do you recognize what is Defense Exhibit A?

23 A. I do.

24 Q. What is it?

25 A. Those are three screen shots of Peter's profile on KinkD.

K2CAABRI2

Jensen - Cross

1 Q. Do those fairly and accurately represent his KinkD profile?

2 A. They do.

3 MS. GALLICCHIO: I would move them into evidence, your  
4 Honor.

5 MR. LI: No objection.

6 THE COURT: Received.

7 (Defendant's Exhibit A received in evidence)

8 MS. GALLICCHIO: I would ask that Defense Exhibit A --  
9 and we could start with the first page -- be published to the  
10 jury.

11 (Pause).

12 Q. All right. So taking a look at Defense Exhibit A, I'm  
13 assuming, agent -- correct me if I'm wrong -- when you  
14 communicated with Mr. Bright, you examined his profile very  
15 carefully, right?

16 A. Yes, I read it.

17 Q. You read his self-summary, right?

18 A. Correct.

19 Q. And in his profile he has a picture himself, right?

20 A. Correct.

21 Q. Let's take a look at his self-summary. This is similar to  
22 where in your self-summary you are looking for someone to teach  
23 your kids about the birds and the bees, correct?

24 A. That's correct.

25 Q. His self-summary is a little more detailed?

K2CAABRI2

Jensen - Cross

1 A. Also correct.

2 Q. In his self-summary he indicates that I am looking for  
3 friends or more outside the bedroom, kinky filth inside the  
4 bedroom, right?

5 A. Right.

6 Q. He also says, I'm not entirely opposed to hookups but my  
7 strong preference is for substantive meaningful connection. I  
8 want to know what makes you tick. Mutual caring and  
9 understanding makes everything better.

10 That's what's written on his profile page, right?

11 A. That's correct.

12 Q. You read that?

13 A. Correct.

14 Q. He also says straightish, I guess, but not straight.  
15 Ethically nonmonogamous. You read that before you communicated  
16 with him, right?

17 A. Correct.

18 Q. There also a "S" asterisk is ridiculous and a sense of  
19 humor about it is essential.

20 You read that?

21 A. Correct.

22 Q. You were aware of that before you communicated -- you were  
23 aware of his self-summary before you communicated with him on  
24 KinkD, right?

25 A. At some point while communicating with him I looked at his

K2CAABRI2

Jensen - Cross

1 profile.

2 Q. At what point, at the beginning or in the middle of your  
3 communication?

4 A. At the beginning.

5 Q. Could we look at page two please. He also goes on to  
6 describe himself as a big nerd in general and expressing that  
7 science and technology are his keen interests, right?

8 A. Correct.

9 Q. He describes his political views. He says I'm liberal with  
10 some leftist tendencies. You probably should be too.

11 A. Correct.

12 Q. And in his bio he indicates his roles, the roles that he  
13 selected, right?

14 A. Correct.

15 Q. These are the parts that he likes to play?

16 A. Correct.

17 Q. And the roles that he selected that we can see on this  
18 exhibit, on Defense Exhibit A are "dominant", "master",  
19 "fetishist", "kinkster", "age-player", "daddy", "hedonist",  
20 "vanilla" and then there's "TO" that seems to be cutoff, right?

21 A. Correct.

22 Q. You saw all of those roles when you communicated with him  
23 on KinkD, right?

24 A. Correct.

25 Q. So you knew that he was an age-player, right?

K2CAABRI2

Jensen - Cross

1 A. Among those things, yes.

2 Q. You knew that he liked to play the daddy role in age-play?

3 A. I know he selected it.

4 Q. But these are roles, right?

5 A. Correct.

6 MS. GALLICCHIO: Can we look at page three.

7 Q. So just to the bottom of the page it indicates also what he  
8 is looking for and there's in the gender section he says,

9 "woman TS/TV/TG". Do you know what stands for?

10 A. Yes.

11 Q. Can you tell us?

12 A. Transexual, transvestites and transgender.

13 MS. GALLICCHIO: We could take that down.

14 Q. So it was pretty clear to you that Peter Bright was an  
15 age-player?

16 A. Among those other roles, yes.

17 Q. You knew that then, right?

18 A. Correct.

19 Q. And you know that now, right?

20 A. Also correct.

21 Q. You have his phone?

22 A. Correct.

23 Q. So when Mr. Bright was arrested his phone, his telephone,  
24 cellphone was taken by the police, right?

25 A. Correct.

K2CAABRI2

Jensen - Cross

1 Q. And you know that Mr. Bright consented to the search of his  
2 phone?

3 A. That's correct.

4 Q. He signed a form giving consent to the FBI to search his  
5 phone?

6 A. That's correct.

7 Q. He gave his password to search his phone, right?

8 A. Correct.

9 Q. And the phone is in the FBI's possession?

10 A. Correct.

11 Q. You have access to it whenever you want?

12 A. Correct.

13 Q. And you personally examined his phone very carefully?

14 A. Correct.

15 Q. It took you weeks, if not months, to go through all the  
16 content on his phone, right?

17 A. Correct.

18 Q. And the FBI also did a forensic analysis of his phone,  
19 right?

20 A. Correct.

21 Q. You went through every chat, right?

22 A. Correct.

23 Q. You went through every video and every photo, right?

24 A. Correct.

25 Q. And you discovered when looking at his phone that

K2CAABRI2

Jensen - Cross

1 Mr. Bright is not only on the dating site called KinkD but he  
2 is on a lot of dating sites, right?

3 A. Correct.

4 Q. For example, he's on Scruff, right?

5 A. Correct.

6 Q. You know what Scruff is, right?

7 A. Yes.

8 Q. Scruff is a dating app for gay, bisexual and trans men,  
9 right?

10 A. Correct.

11 Q. He's on Grinder, right?

12 A. Correct.

13 Q. That's another dating app, right?

14 A. Correct.

15 Q. He's on Tinder, right?

16 A. Correct.

17 Q. Another dating app, right?

18 A. Correct.

19 Q. I could go on but there's many, right?

20 A. Correct.

21 Q. And in your examination of these dating apps, you looked at  
22 his profile, right?

23 A. Since the phones, maybe not all of them. I don't recall.

24 Q. But from what you've looked at is it fair to say that he is  
25 very explicit about his sexual interests on dating sites?

K2CAABRI2

Jensen - Cross

1 A. Correct.

2 Q. And there are a lots of chats and communications with a lot  
3 of people on these dating sites, right?

4 A. The ones I could access when we get the phone to put in  
5 airplane mode. So we don't have access to all conversations.  
6 They don't pull up.

7 Q. But you have had access to lot of them, right?

8 A. That's correct.

9 Q. And you saw from what you saw there were lots of  
10 communications with men and women, right?

11 A. Correct.

12 Q. And transgender men and women, right?

13 A. Correct.

14 THE COURT: Please make your question clear whether  
15 you are saying that there are such conversations on the website  
16 or on the defendant's phone or conversations purportedly in  
17 which the defendant engaged.

18 MS. GALLICCHIO: Thank you. I will, your Honor.

19 Q. So just to go back, there are lots of conversations that  
20 you saw on his phone with men and women that were sexual in  
21 nature?

22 A. Correct.

23 Q. And with transgender men and women that were sexual in  
24 nature on his phone, right?

25 A. Correct.

K2CAABRI2

Jensen - Cross

1 Q. Based on your analysis and investigation, all of these  
2 communications that you saw on his phone and his chats with  
3 other people on his phone in these dating sites were with  
4 adults, right?

5 A. From what I gathered, yes.

6 Q. There was, in these communications that you saw on his  
7 phone, there was a lot of kink, right?

8 A. That's correct.

9 Q. And in these communications that you examine on his phone  
10 there was a lot of age-play?

11 A. I wouldn't say a lot.

12 Q. But you'd found several examples of age-play on his phone,  
13 right.

14 A. As I recall, I think two or three.

15 Q. That you saw, right?

16 A. That's correct.

17 Q. And in the communications that you saw there were other  
18 adults that were engaging in age-play with Mr. Bright, right?

19 A. That's correct.

20 Q. In these chats that you saw on his phone you saw reference  
21 to the term "daddy", "dom", "little girl" and DDLG, right?

22 A. I did.

23 Q. And in these chats that you saw on his phone you saw  
24 reference to the term "princess" being used for the literal  
25 partner, right?

K2CAABRI2

Jensen - Cross

1 A. Yes.

2 Q. And you saw in these chats on his phone extensively the use  
3 of the term "daddy" to refer to the dominant partner?

4 A. Correct.

5 Q. And in fact, Mr. Bright commonly referred to himself as  
6 "daddy", right?

7 A. Correct.

8 Q. And most of these communications that you saw are very  
9 graphic and explicit sexually, right?

10 A. Correct.

11 Q. In particular, you looked at a communication that Peter had  
12 with someone by the name of "Steve"?

13 A. Correct.

14 Q. You had access to his entire communication with Stevie,  
15 right?

16 A. From what was there, yes.

17 Q. Not only whether from look at his phone but the FBI took a  
18 forensic image of his phone, right?

19 A. Correct.

20 Q. And so they were able to download his communications on an  
21 app called "Scruff"?

22 A. Incorrect.

23 Q. Incorrect. You haven't seen that?

24 A. I did not.

25 Q. Did you examine the FBI forensic image of his phone?

K2CAABRI2

Jensen - Cross

1 A. I did.

2 Q. You examined the SMS communications that he had with  
3 Stevie, right?

4 A. I don't recall.

5 Q. Well, you examined his communications with Stevie, right?

6 A. I don't recall.

7 Q. I thought you just said a moment ago that you did see his  
8 communications with Stevie?

9 A. I remember looking at text messages but I don't recall the  
10 "Stevie".

11 Q. OK. Do you have the 3500 binder up there?

12 THE COURT: All right. Ladies and gentlemen, we're  
13 going to take our midmorning break. Please do not discuss the  
14 case among yourselves or with anyone. We'll back in action in  
15 ten minutes.

16 Thank you.

17 (Jury not present)

18 THE COURT: All right. We're in recess.

19 Thank you.

20 (Recess)

21 THE COURT: Please remain standing for the jury.

22 (Jury present)

23 THE COURT: All right. Please be seated.

24 Ms. Gallicchio, whenever you're ready.

25 MS. GALLICCHIO: Thank you, your Honor.

K2CAABRI2

Jensen - Cross

1 Q. So, Agent Jensen, before the break we were talking about  
2 Mr. Bright's text communications with someone named Stevie,  
3 right?

4 A. Correct.

5 Q. Now, do you recall observing on his phone conversations  
6 with someone named "Stevie"?

7 A. I recall conversations I took photos of. I think it was on  
8 Google Hangouts or an app.

9 Q. I am asking you about a conversation with Stevie. Do you  
10 recall seeing conversations with Stevie that related to  
11 age-play?

12 A. Correct.

13 Q. And you examined those conversations those chats on his  
14 phone -- I'm sorry. Those texts on his phone with Stevie,  
15 right?

16 A. I'm not sure we're talking about the same one.

17 MS. GALLICCHIO: If I could show the witness -- your  
18 Honor, may I approach?

19 THE COURT: You may.

20 (Pause)

21 MS. GALLICCHIO: Does the Court wish a copy, your  
22 Honor?

23 THE COURT: Please.

24 (Pause)

25 Q. Agent Jensen, I'm showing you what's been marked as Defense

K2CAABRI2

Jensen - Cross

1 Exhibit B for identification only.

2 THE COURT: Say that again, the letter.

3 MS. GALLICCHIO: "P".

4 THE COURT: Thank you.

5 Q. Let me know when you have had a chance to read it.

6 THE COURT: Do you want to direct the witness to a  
7 particular page or line?

8 MS. GALLICCHIO: I am just going to ask if she  
9 recognizes it first in general.

10 THE COURT: All right.

11 (Pause)

12 MS. GALLICCHIO: Let me know when you have had a  
13 chance?

14 THE COURT: You take as much time as you'd like. I  
15 asked if you wanted to direct the witness to a particular  
16 portion. You said no. The witness can take as much time as  
17 she likes to review the entire document.

18 (Pause)

19 THE COURT: All right. Are you finished?

20 THE WITNESS: Yes.

21 THE COURT: Thank you.

22 Q. Thank you, Agent Jensen.

23 So reviewing Defense Exhibit P, does that help to  
24 refresh your recollection about the text conversations that you  
25 reviewed between Mr. Bright and Stevie?

K2CAABRI2

Jensen - Cross

1 A. Yes. Thank you.

2 Q. And this was, the text conversations between Mr. Bright and  
3 Stevie were on his phone that you examined, right?

4 A. That's correct.

5 MR. LI: Objection, your Honor.

6 I think we should probably retrieve the document from  
7 the witness.

8 THE COURT: That's right.

9 Turn it face down in front of you. The document is  
10 not in evidence and you can pull that microphone closer. You  
11 don't need to lean into the microphone to speak. That's fine.

12 Please proceed.

13 Q. The text conversation that Mr. Bright had with Stevie that  
14 appeared on his phone was a conversation that took place  
15 between April the 15th, 2019 and May the 6th of 2019?

16 A. Correct.

17 Q. That's about the same time that he was communicating with  
18 you, right?

19 A. Correct.

20 Q. And the conversations that Mr. Bright had with Stevie in  
21 this text communication was very sexual and graphic, right?

22 A. Correct.

23 Q. Mr. Bright discusses with Stevie his sexual fantasies --

24 THE COURT: Well, now you are asking -- just so I  
25 understand this, you're asking this witness if you recall this

K2CAABRI2

Jensen - Cross

1 without looking at the document now you've reviewed it. Does  
2 it refresh your recollection? You told us before -- maybe I  
3 misheard you but you'd not remembered texts with Stevie,  
4 correct?

5 THE WITNESS: Correct.

6 THE COURT: All right. And now you've looked at the  
7 document and when you're asked whether something refreshes your  
8 recollection, there could be two possible answers. So, let's  
9 say somebody said the Yankees won the World Series in the year  
10 2000 on October 19, 2000. Do you recall that? You might say  
11 no. Somebody shows you a copy of The Post or the Daily News  
12 dated October 20, indicating that they won the World Series the  
13 night before. Well, there are two possibilities there. One  
14 you see it's the New York Post or the Daily News. It doesn't  
15 look fake. It looks real, OK? But it doesn't refresh your  
16 recollection. In that event your answer is no it doesn't  
17 refresh my recollection. Then again you might say, wait a  
18 minute. Now I remember October 19 is my nephew's birthday and  
19 he just turned 21 I was at the party. I remember this now and  
20 now you have a new and refreshed recollection. Then you should  
21 testify yes I remember was October 19, 2000. So that's what  
22 refreshes one's recollection means.

23 So, you're not being asked what do you remember from  
24 what you read two minutes ago. That's not the question. The  
25 question is, having reviewed the document, do you have a new

K2CAABRI2

Jensen - Cross

1 and refreshed recollection on the subject that you're being  
2 asked about.

3 So if I could impose on you, Ms. Gallicchio, put a  
4 fresh question to the witness.

5 MS. GALLICCHIO: Yes. Thank you.

6 Q. So, having looked at this document and is your recollection  
7 refreshed with respect to the conversations you viewed on  
8 Mr. Bright's phone between him and Stevie?

9 A. Correct.

10 Q. OK. And do you recall having reviewed his phone and these  
11 conversations that Mr. Bright in his text conversation with  
12 Stevie discussed his sexual fantasies?

13 A. Yes, I remember elements of the text message or  
14 conversation.

15 Q. And do you recall in these text messages with Stevie that  
16 he, Mr. Bright, referred to himself as "daddy"?

17 A. I remember, yes.

18 (Continued on next page)

K2CYBRI3

Jensen - Cross

1 BY MS. GALLICCHIO:

2 Q. And do you recall in these text messages that Mr. Bright  
3 describes to Stevie some of his kinks?

4 A. Yes.

5 Q. Including some of his kinks would be something called  
6 "water sports."

7 Do you recall that in the text conversation?

8 A. I don't recall a specific spot, but yes.

9 Q. Just in general I'm asking.

10 A. Yes. Yes.

11 Q. And "water sports" is sometimes referred to as "pissplay;"  
12 right?

13 A. Correct.

14 Q. And that's something actually that Mr. Bright, you've  
15 already testified to, had discussed with you.

16 A. Correct.

17 Q. And in these text conversations with Stevie, Mr. Bright  
18 discusses his fantasy about having a "little," a submissive  
19 role, play the part of an 11- or 12-year-old in his fantasy;  
20 right?

21 A. I don't recall a spot in a text.

22 Q. But you recall that in general, that was something he was  
23 texting about?

24 A. Correct.

25 Q. In relation to that fantasy with a person playing the role

K2CYBRI3

Jensen - Cross

1 of an 11- and 12-year-old, the fantasy involves teaching this  
2 "little" about her body and how it's developing. Right?

3 A. Yes.

4 Q. And that's sort of the thing that he chatted with you  
5 about.

6 A. Correct.

7 Q. In his text conversations with Stevie, he also --  
8 Mr. Bright also suggests to Stevie that he sent him some photos  
9 and some videos; right?

10 A. Yes.

11 Q. And in his texting conversations with Stevie, he discusses  
12 with him playing, play dates. Right?

13 A. Yes.

14 Q. In Mr. Bright's text conversations with Stevie, he often  
15 refers to him as his "little boy." Right?

16 A. Yes.

17 Q. And in Mr. Bright's text conversations with Stevie, he  
18 discusses with him about his interest in, first, keeping things  
19 vanilla at first and focusing on getting to know one another.  
20 Right?

21 A. Yes.

22 Q. And that's similar to the sort of text conversations you  
23 had with Mr. Bright; right?

24 A. That's correct.

25 MS. GALLICCHIO: Can we put up Government Exhibit 3A,

K2CYBRI3

Jensen - Cross

1 please, page 26, the first blue box.

2 Q. This is Government Exhibit 3A. This is a portion of your  
3 WhatsApp conversation with Mr. Bright. Right?

4 A. Correct.

5 Q. So on May 15, he texts to you: "Gently. I could come  
6 over, make our introductions, get them to tell me about  
7 themselves and show me what they've learned already, something  
8 along those lines?"

9 Right?

10 A. That's correct.

11 Q. He texted that to you; right?

12 A. That's correct.

13 Q. And that's similar to the types of conversations he had  
14 with Stevie; right?

15 A. That's correct.

16 Q. And you know Stevie is an adult.

17 A. That's correct.

18 Q. Now, other than Stevie, you saw on his phone, Mr. Bright's  
19 phone, other text conversations with other age players; right?

20 A. Correct.

21 Q. And you saw the use repeatedly of "daddy dom little girl"  
22 or DDLG, the letters. Right?

23 A. That's correct.

24 Q. And you saw repeatedly --

25 THE COURT: When you say "you saw," you saw when you

K2CYBRI3

Jensen - Cross

1 looked at it to refresh your recollection?

2 MS. GALLICCHIO: No, your Honor. Now I'm talking  
3 about other text conversations on his phone.

4 THE COURT: Go ahead.

5 BY MS. GALLICCHIO:

6 Q. I'm not talking about Stevie. I'm talking about other text  
7 conversations he had on his phone. Right?

8 A. I understood you.

9 Q. In other text conversations on his phone, you came across  
10 other instances in which Mr. Bright discussed a similar  
11 scenario, that being someone playing the role of an 11- or a  
12 12-year-old. Right?

13 A. That's correct.

14 Q. And in that role, he plays the daddy figure; right?

15 A. Correct.

16 Q. And as the daddy figure, he is teaching his "little," to  
17 use the terminology, how to touch herself. Right?

18 A. Correct.

19 Q. And those are the same sort of text conversations he had  
20 with you.

21 A. Correct.

22 Q. And in many of the text conversations that you found on his  
23 phone, not just with Stevie but others, he refers to his  
24 age-play partner as his "princess." Right?

25 A. Correct.

K2CYBRI3

Jensen - Cross

1 Q. And in other text conversations with other age players, he  
2 talks about sex as "play time." Right?

3 A. Correct.

4 Q. Now, you started communicating with Mr. Bright on the KinkD  
5 app.

6 A. Correct.

7 Q. And that first conversation was on April 18.

8 A. Correct.

9 Q. And the first conversation was Mr. Bright reaching out to  
10 you; right?

11 A. I think it was a little after.

12 Q. Right.

13 A. Yes.

14 Q. You responded on May 1.

15 A. Correct.

16 Q. So April 18 was the first time that he texted you; right?

17 A. Correct.

18 Q. And then you didn't respond until May 1.

19 A. Correct.

20 Q. Between April 18 and May 1, did Mr. Bright pursue you in  
21 any way?

22 A. No.

23 Q. And I believe we saw your --

24 Government Exhibit 2A, please.

25 If you take a look at Government Exhibit 2A,

K2CYBRI3

Jensen - Cross

1 Mr. Bright says to you: "Hi. I'm Peter. Can you elaborate a  
2 little further on your profile." Right?

3 A. Correct.

4 Q. He was asking you to explain your self-summary; right?

5 A. Right.

6 Q. Which you agreed with me earlier that it was ambiguous.

7 A. Correct.

8 Q. And to elaborate, you say that: "My princess is seven, and  
9 my prince charming is nine." Right?

10 A. Correct.

11 Q. You don't say that my "daughter" is seven or my "son" is  
12 nine.

13 A. Correct.

14 Q. You don't say that my "children" are seven and nine.

15 A. Correct.

16 Q. You used age-play terminology; right?

17 A. Correct.

18 Q. And then Mr. Bright responded, Government Exhibit 2C, using  
19 your language. Right?

20 A. Correct.

21 Q. He said: "Anyway, I'd love to hear more about the prince  
22 and princess." Right?

23 A. Correct.

24 Q. He didn't say, "Your children." Right?

25 A. Correct.

K2CYBRI3

Jensen - Cross

1 Q. Or "your son and daughter."

2 A. Correct.

3 Q. He continued using your language, which is age-play  
4 language.

5 A. Correct.

6 Q. Now, I believe you were the one who suggested that the  
7 communication continue on WhatsApp.

8 Is that right?

9 A. He had said he wanted to use a different platform, and I  
10 said WhatsApp.

11 MS. GALLICCHIO: If we can go to Government  
12 Exhibit 2B.

13 Q. So he said on Government Exhibit 2B: "This might be better  
14 over text. Messaging here is not very reliable." Correct?

15 A. Correct.

16 Q. And then he gives you his phone number; right?

17 A. Correct.

18 Q. That's his actual phone number; right?

19 A. The 501?

20 Q. Yes.

21 A. Yes. That's his Google Hangout.

22 Q. And how you communicated with him?

23 A. No. I sent him a text there.

24 Q. But he sent you his Google Hangout number. Right?

25 A. Correct.

K2CYBRI3

Jensen - Cross

1 Q. And that's when you then suggested WhatsApp; right?

2 A. Correct.

3 Q. And then he indicated that, no. Just texting, SMS. Right?

4 A. Correct.

5 Q. And then at some point he indicates to you he has a  
6 WhatsApp number; right?

7 A. Yes. I texted that number.

8 Q. And then you communicated on WhatsApp?

9 A. Yes. Then he texted the WhatsApp.

10 Q. Now, WhatsApp was suggested by you.

11 A. Correct.

12 Q. Now, WhatsApp is an encrypted app; right?

13 A. Correct.

14 Q. And the texts themselves only live on the phones; right?

15 A. Correct.

16 Q. You can't subpoena WhatsApp text messages; right?

17 A. Correct.

18 Q. If they're deleted by someone, they're gone off of that  
19 person's phone; right?

20 A. Correct.

21 Q. They can't be retrieved?

22 A. No.

23 Q. Now, your initial conversation --

24 If we can go to Government Exhibit 3, please, page 2,  
25 the third blue box. Thank you.

K2CYBRI3

Jensen - Cross

1           So this is a WhatsApp text from Mr. Bright to you. He  
2       says: "So I'd love to hear more about what you're looking  
3       for." Right?

4       A. Correct.

5           MS. GALLICCHIO: Page 4, please, second green box.

6       Q. And your response to him was: "I really want my little  
7       princess to learn how to be a good girl." Right?

8       A. Correct.

9       Q. You continue to use the word "princess." Right?

10      A. Correct.

11      Q. You don't say "daughter" or "child." Right?

12      A. Correct.

13      Q. And then, again, on page 6, second green box, you ask  
14      Mr. Bright: "Do you have any experience with little prince  
15      charmings?"

16      A. Correct.

17      Q. And, again, you continue to use age play terms; right?

18      A. Correct.

19      Q. You don't specify that "little prince charming" is your  
20      actual son.

21      A. Right.

22      Q. So you never referred to the "little prince charming" and  
23      the "princess" as your children. Right?

24      A. I called them their names later.

25      Q. Right. You gave them names, Braydon and Kayla. Correct?

K2CYBRI3

Jensen - Cross

1 A. Correct.

2 Q. But you never call them your children.

3 A. I don't recall. I may not have.

4 Q. Ever. Do you ever, in your text conversations, your phone  
5 conversations, your in-person conversations, ever refer to  
6 Braydon and Kayla or your children?

7 A. No. I don't recall saying their names.

8 Q. Do you ever refer to Braydon and Kayla, in your text  
9 conversations, as your "son" and your "daughter"?

10 A. No.

11 Q. Do you ever refer to Braydon and Kayla in your phone call  
12 as your "son" and your "daughter"?

13 A. No.

14 Q. Do you ever refer to them in the in-person conversation,  
15 the meet-up, as your "son" and your "daughter"?

16 A. No.

17 Q. In fact, Mr. Bright never does either.

18 A. Correct.

19 MS. GALLICCHIO: Now, if we could go to page 3, 3,  
20 please, the second green box.

21 Q. This is a text conversation on May 15, 2019. It's your  
22 text; right?

23 A. Correct.

24 Q. This is right in the beginning of your communication with  
25 Mr. Bright.

K2CYBRI3

Jensen - Cross

1 A. That's correct.

2 Q. And you express here -- you write "Hmmm, we may be looking  
3 for different things." Correct?

4 A. Yes.

5 Q. You're expressing some doubt here; right?

6 A. Correct.

7 Q. And you don't clarify at that point what you're really  
8 looking for.

9 A. Correct.

10 Q. You don't say, I'm really looking for someone to molest my  
11 kids.

12 A. No. I don't say that.

13 Q. You don't say these are your children; right?

14 A. No.

15 Q. You don't say these are your son and daughter.

16 A. No.

17 Q. You continue to use age-play language; right?

18 A. Yes.

19 MS. GALLICCHIO: If we can go back to page 4, the  
20 second green box.

21 Q. So when explaining what you want, you say: "I really want  
22 my little princess to learn how to be a good girl." Right?

23 A. Correct.

24 Q. Now, there was a second time in which you expressed some  
25 doubt to Mr. Bright after the phone call with him. Right?

K2CYBRI3

Jensen - Cross

1 A. Correct.

2 MS. GALLICCHIO: Let's go to page 58, the third green  
3 box.

4 Q. You text Mr. Bright: "It sounds like you're thinking of  
5 something different."

6 And then if we can go to the next page, page 59, the  
7 second green box: "Maybe I'm misunderstanding you, which is  
8 totally possible over text, lol." And the third green box:  
9 "Meaning is often misconstrued."

10 Those are your texts; right?

11 A. That's correct.

12 Q. And you're expressing the fact that sometimes meaning can  
13 get lost over texts.

14 A. That's correct.

15 Q. And at this point, you don't clear up the misunderstanding;  
16 right?

17 A. That's correct.

18 Q. You don't say, by the way, I'm talking about real kids.

19 A. No. I don't say that.

20 Q. You never say that; right?

21 A. I was referring to the phone call that we had.

22 Q. But you never said "real kids." You never used the  
23 expression, these are "real kids."

24 A. No.

25 Q. You don't say here, to clear up this misunderstanding that,

K2CYBRI3

Jensen - Cross

1 I'm talking about my children. Right?

2 A. Correct.

3 Q. You continued to use age-play language.

4 A. Correct.

5 Q. So Mr. Bright also asked you for photos on several  
6 occasions; right?

7 A. That's correct.

8 Q. Sending photos would be the perfect way to set the record  
9 straight about what you're talking about. Right?

10 A. Yes.

11 Q. You eventually do send photographs of children; right?

12 A. Yes.

13 Q. Now, Mr. Bright never asks you for photos of your children.  
14 Right? Using those words.

15 A. He asked for photos of the three of us are of "you all."

16 Q. I'm asking you: Does he ever say, send me a picture of  
17 your kids?

18 A. No.

19 Q. Does he ever say, send me a picture of your children?

20 A. No.

21 Q. Does he ever say, send me a picture of your son and your  
22 daughter?

23 A. No.

24 Q. Let's look at what he says on Government Exhibit 3, the  
25 second blue box.

K2CYBRI3

Jensen - Cross

1           So this second blue box, Mr. Bright texts to you on  
2 May 15 at 12:37: "Got any family photos?"

3 A. Right.

4 Q. That's early on in your conversations; right?

5 A. That's correct.

6 Q. And then he doesn't say -- he doesn't mention "son,"  
7 "daughter," "children." Right?

8 A. Correct.

9           MS. GALLICCHIO: And then if we can go to page 28, the  
10 second blue box.

11 Q. He says: "I would still love to see my students."

12           Do you recall that?

13 A. Correct.

14 Q. This is the next day, on May 16.

15 A. Correct.

16 Q. And you respond, the first green box: "When would you love  
17 to see them?"

18           And his answer is: "Well, a picture or two would be  
19 nice. But otherwise, when is a good time to come over?"

20           So at this point, he was referring to a picture;  
21 right?

22 A. Correct.

23 Q. And then also of the possibility of getting together;  
24 right?

25 A. Correct.

K2CYBRI3

Jensen - Cross

1 Q. Again, there's nothing in this communication that refers to  
2 "children." Right?

3 A. Correct.

4 Q. Or "son" or "daughter." Right?

5 A. Correct.

6 Q. And you don't take this opportunity to clear up any  
7 ambiguity.

8 A. On May 16?

9 Q. Yes.

10 A. No.

11 Q. You decided on May 15, when he asked for a family photo,  
12 and May 16, when he asked to see "my students," not to send a  
13 picture.

14 A. Correct.

15 Q. It's May 19 when you finally do send pictures; right?

16 A. That's correct.

17 Q. And that's after the phone call.

18 A. Also correct.

19 Q. Now, you asked him to send pictures; right?

20 A. Correct.

21 MS. GALLICCHIO: Could we look at page 30.

22 Q. This is shortly after he asked you for a photograph; right?

23 A. That's correct.

24 Q. On page 30, second green box, you say: "You got a photo?"  
25 Right?

K2CYBRI3

Jensen - Cross

1 A. Correct.

2 Q. And then he sends you a photograph, second blue box.

3 Right? That's a photograph that's on his KinkD profile page.

4 Right?

5 A. That's correct.

6 Q. And then the two of you, after that photograph is sent,

7 engage in a little bit of banter about the fact that he's

8 double-fisting Starbucks; right?

9 A. Correct.

10 Q. And it's a bit of sexual banter between the two of you;

11 right?

12 A. I didn't mean it in a sexual way.

13 Q. Right. Let's take a look at page 31. I'm sorry. Let's

14 start with the second blue box.

15 Mr. Bright says to you: "Double-fisting Starbucks

16 amuses me." Right?

17 A. Correct.

18 MS. GALLICCHIO: The last green box.

19 Q. Your response was: "I was about to use the same words

20 'double-fisting'?"

21 A. That's correct.

22 Q. You know the term "double-fisting" has a sexual

23 connotation?

24 A. Correct, but it also pertains to having two drinks.

25 Q. Right.

K2CYBRI3

Jensen - Cross

1 A. Correct.

2 Q. And then the next picture he sends you, if we can go to  
3 page 32, which we've seen earlier, the photograph. It's a  
4 picture of Mr. Bright with no shirt on.

5 A. Correct.

6 Q. The two of you then engage in some banter about his beard  
7 being two different colors; right?

8 A. Correct.

9 Q. And about his age; right?

10 A. Correct.

11 Q. This is banter between you and him as adults; right?

12 A. Correct.

13 Q. There is no conversation there about "prince" or  
14 "princess."

15 A. Correct.

16 Q. In fact, you have lots of --

17 We can take that down.

18 You have lots of adult conversation with Mr. Bright;  
19 right?

20 A. Correct.

21 Q. You both discuss your jobs; right?

22 A. Correct.

23 Q. Obviously you had a fake job; right?

24 A. Correct.

25 Q. In your job, you play a trainer; right?

K2CYBRI3

Jensen - Cross

1 A. That's correct.

2 Q. Mr. Bright tells you that he's a journalist; right?

3 A. Correct.

4 Q. And you know that he is.

5 A. Correct.

6 Q. He tells you that he writes about technology; right?

7 A. Correct.

8 Q. And you know that he does.

9 A. That's correct.

10 Q. He tells you that he works from home; right?

11 A. Correct.

12 Q. And you know that to be true.

13 A. Correct.

14 Q. He also tells you that he's married and his wife is  
15 vanilla.

16 A. I think he said "girlfriend."

17 THE COURT: I didn't hear the answer.

18 THE WITNESS: I think he said "girlfriend."

19 BY MS. GALLICCHIO:

20 Q. He told you he was in a relationship; correct?

21 A. Correct.

22 Q. And that she was vanilla.

23 A. Correct.

24 Q. You and he often discussed weekend plans; right?

25 A. Correct.

K2CYBRI3

Jensen - Cross

1 Q. You discussed movies; right?

2 A. Correct.

3 Q. And during these conversations, you never had any  
4 conversation with him about children; right?

5 A. I recall -- that's incorrect.

6 Q. When?

7 A. Weekend plans, taking Braydon and Kayla to the park.  
8 Braydon had soccer practice.

9 Q. That was in a telephone call; right?

10 A. Correct.

11 Q. In that telephone call, you didn't refer to Braydon and  
12 Kayla as your "son" or your "daughter."

13 A. That's correct.

14 Q. And you know that some age players live out the fantasy  
15 24/7; right?

16 A. Yes. 24/7.

17 Q. Some age players will take their "submissive" or their  
18 "little," for example, to Chuck E. Cheese. Right?

19 A. Correct.

20 Q. And they'll ask them or require them -- I guess ask them --  
21 to act like a teenager or a child in public. Right?

22 A. Correct.

23 Q. Now, you testified on direct examination that there were  
24 many conversations or many text exchanges with Mr. Bright about  
25 the scenario that he would teach to your "prince charming" and

K2CYBRI3

Jensen - Cross

1 "princess." Right?

2 A. Yes. There was conversation about it.

3 Q. As we've already said, these were conversations that were  
4 similar to the types of text messages you saw on his phone that  
5 he had with other consenting adults; right?

6 A. That's correct.

7 Q. The conversations that you had, the texts that you had with  
8 Mr. Bright, used a lot of the same language; right?

9 A. Correct.

10 Q. And the same scenario as you've already pointed out, that  
11 being teaching about body parts and how to please themselves  
12 and others. Right?

13 A. Correct. I don't recall saying "foreskin" though.

14 Q. I just want to clear it up. He never said -- and I'm in  
15 quotes -- "I want to teach your children about sex."

16 A. Correct.

17 Q. And as you've already testified, he never used the word  
18 "children."

19 A. That's correct.

20 Q. Nor did you.

21 A. Correct.

22 Q. Now, getting to the foreskin, Mr. Bright offered the fact  
23 that he was not circumcised to make sure it was not an issue.  
24 Right?

25 A. Yeah. He brought it up. Yes.

K2CYBRI3

Jensen - Cross

1 MS. GALLICCHIO: Let's look at page 35, the second  
2 blue box.

3 Q. Now, this text from Mr. Bright where he says: "Oh, um, I  
4 don't know if it matters, but I'm not circumcised."

5 This was on May 16, 2019, at 12:26. Right?

6 A. That's correct.

7 Q. This was before you guys had a phone call; right?

8 A. Correct.

9 Q. This is before you sent the photographs of the children;  
10 right?

11 A. Correct.

12 MS. GALLICCHIO: If we can go to page 46, the second  
13 green box.

14 Q. You asked Mr. Bright whether he thought about what kind of  
15 lesson he would like to start with. Right?

16 A. That's correct.

17 Q. This was still on May 16, that same day.

18 A. Correct.

19 Q. And then it's then that he responds: "Really depends on  
20 their experience, but I'm thinking maybe something involving  
21 foreskin is the way to start." Right?

22 A. Correct.

23 Q. And, again, this is before the phone call; right?

24 A. That's correct.

25 Q. And this is before the photographs?

K2CYBRI3

Jensen - Cross

1 A. That's correct.

2 Q. And during this conversation, he goes on to explain to you  
3 how it is unusual in the United States to be uncircumcised;  
4 correct?

5 A. Right.

6 Q. And he tells you about the fact that he had been seeing  
7 another girl, another adult. And he tells you about her  
8 reaction to his uncircumcised penis. Right?

9 A. That's correct.

10 MS. GALLICCHIO: Page 47, please.

11 Q. You say to him: "Yeah. It's kind of rare here. Does the  
12 other girl like it?"

13 So you're referring here to a conversation that  
14 Mr. Bright had with you to the effect that he's teaching  
15 someone else; right?

16 A. Correct.

17 Q. Referring to an 11-year-old in the Bronx; right?

18 A. That's correct.

19 Q. Well, you know there's no 11-year-old in the Bronx. Right?

20 A. Yes. We know there is no 11-year-old in the Bronx.

21 Q. You know it's another age-player; that he was acting out  
22 the scenario that he likes of an 11- and 12-year-old. Right?

23 A. That's what he stated. Yes.

24 Q. And you found nothing to contradict that; right?

25 A. Correct.

K2CYBRI3

Jensen - Cross

1 Q. I assume the FBI did a thorough investigation to find out  
2 whether there was an 11-year-old in the Bronx that Mr. Bright  
3 was molesting; right?

4 A. That's correct.

5 Q. And you didn't find anything.

6 A. That's also correct.

7 Q. And Mr. Bright says to you -- you ask him: "Does the other  
8 girl you teach like it?"

9 He says, "Yes. In fact, every American I've been  
10 with, except one, enjoyed it. But the one, we were back at her  
11 place. We got naked, and she said no because I wasn't  
12 circumcised," a bunch of eye rolling here. And then you go on  
13 to discuss.

14 Right?

15 A. Correct.

16 Q. Clearly he's talking about an adult experience.

17 A. Correct.

18 Q. Would you agree with me, Agent Jensen, that it's not  
19 relevant to a 79-year-old whether a man has a circumcised  
20 penis?

21 MR. LI: Objection.

22 THE COURT: Sustained.

23 BY MS. GALLICCHIO:

24 Q. Would you agree with me that whether a penis is circumcised  
25 makes no difference to a 79-year-old?

K2CYBRI3

Jensen - Cross

1 MR. LI: Objection.

2 THE COURT: Sustained.

3 BY MS. GALLICCHIO:

4 Q. And then Mr. Bright suggests to you on page 49, the bottom  
5 of the page, the last blue box, he says to you: "Maybe you'll  
6 need a lesson too!" Right?

7 A. Correct.

8 Q. That was suggesting sexual activity with you. Right?

9 A. I think he was suggesting it. Yes.

10 Q. Now, your response to this, on page 50, bottom of the page,  
11 in the bottom green box, you say: "I'm excited to watch my  
12 little angels learn." Right?

13 A. That's correct.

14 Q. And you used age-play language; right?

15 A. Correct.

16 Q. You don't call them your "children" or your "son" or your  
17 "daughter"?

18 A. Correct.

19 Q. Now, the phone call that you had with Mr. Bright was on --

20 We can take that down.

21 -- was on May 17, 2019; right?

22 A. That's correct.

23 Q. And you talk about Braydon and Kayla. Right?

24 A. That's correct.

25 Q. You never refer to Braydon and Kayla as your "son" and your

K2CYBRI3

Jensen - Cross

1 "daughter"?

2 A. I don't explicitly recall if I ever say "my son Braydon and  
3 my daughter Kayla."

4 Q. You don't recall.

5 You never refer to Braydon and Kayla as your  
6 "children." Right?

7 A. I don't think I said "children." My kids.

8 Q. And Mr. Bright doesn't call them your "children" or your  
9 "son" or your "daughter." Right?

10 A. No.

11 Q. Now, after the phone call, the two of you continued to chat  
12 obviously. Right?

13 A. Correct.

14 MS. GALLICCHIO: Page 57, again, Government Exhibit 3,  
15 page 57, the second blue box.

16 Q. Mr. Bright says to you: "Oh, yeah. The reason I was  
17 curious about your involvement is that I was thinking that for  
18 explaining things like the clitoris, the proximity of the  
19 vagina and anus, etc., it would probably be easier to show them  
20 on you."

21 So in this conversation, Mr. Bright is suggesting that  
22 he'd like to involve you; right?

23 A. He was asking in reference to the phone call about my  
24 involvement. And I said that the lessons are for them, and I  
25 explained my involvement.

K2CYBRI3

Jensen - Cross

1 Q. But he's suggesting that you should get involved.

2 A. I think he was clarifying why he asked that.

3 Q. Well, he said: "It would probably be easier to show them  
4 on you." Right?

5 A. Correct.

6 MS. GALLICCHIO: If we can go to page 63, the first  
7 green box.

8 Q. You ask Mr. Bright: "Do you have any limits or something  
9 you don't like?"

10 And then you ask him, the second green box: "Well, do  
11 you have stuff you like?"

12 So you're asking him about his kinks; right?

13 A. Just in general, yes.

14 Q. And you're asking about what he likes and what he doesn't  
15 like.

16 A. Correct.

17 Q. And you're referring to "limits." Right?

18 A. Correct.

19 Q. The concept of "limits" is something that is an important  
20 concept in the kink community; right?

21 A. Correct.

22 Q. And he describes to you his kinks; right?

23 A. Correct.

24 Q. And this conversation is before the photographs are sent;  
25 right?

K2CYBRI3

Jensen - Cross

1 A. That's correct.

2 Q. And he describes his kinks to you in graphic detail; right?

3 A. Correct.

4 Q. He describes, as we've already said, pissplay; right?

5 A. Correct.

6 Q. He says forced orgasms and squirting; right?

7 A. Correct.

8 Q. And he says that he likes making a girl climax 15, 20, 25  
9 times in a row. Right?

10 A. Correct.

11 Q. These are clearly adult activities; correct?

12 A. Correct.

13 Q. You certainly didn't think he was talking about things he  
14 would do with a seven- or nine-year-old.

15 A. I think we were clearly past that.

16 Q. Multiple orgasms are relevant in adult sex; right?

17 A. The compilation of work. We see a lot of stuff.

18 Q. Yes or no? Are multiple orgasms relevant to an adult as  
19 opposed to --

20 A. Relevant to an adult.

21 Q. And Mr. Bright makes it clear to you that he's talking  
22 about dominance and submission; right?

23 Well, let me refer you to page 65.

24 A. Yes. I recall.

25 MS. GALLICCHIO: The third blue box.

K2CYBRI3

Jensen - Cross

1 Q. He said: "I enjoyed it. She gulped it down and asked for  
2 more. It was part of a broader Dom/sub thing." Right?

3 A. Yes.

4 Q. He was talking about his play; right?

5 A. Something that he was talking about. Yes.

6 THE COURT: I didn't hear your answer.

7 THE WITNESS: I said that's something he was talking  
8 about. He was referring to broader dom/sub.

9 THE COURT: Thank you.

10 BY MS. GALLICCHIO:

11 Q. You didn't take the opportunity to clarify that you're  
12 talking about real children, not adults. Right?

13 A. No.

14 Q. In fact, on the top of page 66, please, the first box, you  
15 ask: "Was that with a little princess?"

16 Right?

17 A. Correct.

18 Q. Again, you continued to use the age-play language. Right?

19 A. Correct. That was after the phone call.

20 Q. That was after the phone call; right?

21 A. Correct.

22 Q. This was before the photos though; correct?

23 A. Correct.

24 Q. And then he discussed with you the fact that these types of  
25 activities are the types of activities that he likes that are

K2CYBRI3

Jensen - Cross

1 relevant, as we said, to the dom/sub category; right.

2 A. And he says "mommy" versus "princess."

3 Q. So he's making a distinction in these conversations between  
4 age players and adults; right?

5 A. He just used the word "mommy" versus "princess."

6 MS. GALLICCHIO: Let's take a look at page 68.

7 Q. On the second page, the second blue box, he says: "I think  
8 it's more of a mommy thing than a princess thing."

9 A. Correct.

10 Q. And "mommy" is the role that you chose on KinkD; right?

11 A. Correct.

12 Q. So a "mommy thing" here refers to a dom; right? A  
13 dominant, an adult.

14 MR. LI: Objection.

15 THE COURT: Basis?

16 MR. LI: Calls for speculation as to what the  
17 defendant meant.

18 THE COURT: Well, what did you understand the  
19 defendant to mean?

20 THE WITNESS: I took it as a mommy adult versus a  
21 princess child.

22 THE COURT: Thank you.

23 BY MS. GALLICCHIO:

24 Q. But he didn't say it's more of a mommy thing than a child  
25 thing. Right? He said "a princess thing."

K2CYBRI3

Jensen - Cross

1 A. Correct. We never utilized "child."

2 Q. Right. You continued to use "princess" when you referred  
3 to Kayla; right?

4 A. Yes. As a term of endearment. Yes.

5 Q. Also an age-playing term. Right?

6 A. Yes.

7 Q. Now, you said that you were surprised that Mr. Bright was  
8 showing up at the meeting at Duane Park on the 22nd of May.

9 Is that right? Or did I misunderstand?

10 A. I don't think I was surprised. I just didn't hear from  
11 him.

12 Q. But you had planned to meet; right?

13 A. We did. Yes.

14 Q. And you knew that on May 22, that day, he had a meeting in  
15 Manhattan that morning. Right?

16 A. Yes. That's what he said.

17 Q. And that it would be a perfect time after the meeting, that  
18 he could come and meet with you. Right?

19 A. Yes. That's correct.

20 Q. Now, you indicated that you were planning to record this  
21 meeting; right?

22 A. That's correct.

23 Q. And as part of your investigation, as part of your work, is  
24 that something you do regularly? Record interactions with  
25 individuals.

K2CYBRI3

Jensen - Cross

1 A. In these instances, yes.

2 Q. So that's standard operating procedure; right?

3 A. That's correct.

4 Q. So when you show up at this meeting, you're going to make a  
5 recording; right?

6 A. Yes.

7 Q. Because it's important to obviously capture everything  
8 that's said. Right?

9 A. That's correct.

10 Q. A recording is important evidence.

11 A. That's correct.

12 Q. And you didn't have the battery life on your phone.

13 A. It was a different device.

14 Q. A different device. So the battery died, and you couldn't  
15 record. Right?

16 A. Yes.

17 THE COURT: What did you say?

18 THE WITNESS: I said, well, yes.

19 THE COURT: Okay. I didn't hear you.

20 BY MS. GALLICCHIO:

21 Q. Now, you testified that prior to this meeting, you had  
22 asked for STD tests; right?

23 A. That's correct.

24 Q. And that was early on in your conversations with  
25 Mr. Bright. Right?

K2CYBRI3

Jensen - Cross

1 A. Correct.

2 MS. GALLICCHIO: If we can take a look at Government  
3 Exhibit 3I.

4 Q. So Government Exhibit 3I is a screenshot of one of  
5 Mr. Bright's STD tests; right?

6 A. That's correct.

7 Q. This is his HIV test; right?

8 A. Correct.

9 Q. And you were the one who asked him for the test; right?

10 A. Correct.

11 Q. This was before the phone call; right?

12 A. That's correct.

13 Q. This was before the photos of the kids.

14 A. That's correct.

15 Q. And he sent you the screenshot.

16 A. That's correct.

17 Q. And we see a redaction. I think you testified to this on  
18 direct.

19 But there are black boxes which are redactions; right?

20 A. That's correct.

21 Q. Those redactions weren't there when Mr. Bright sent that to  
22 you; right?

23 A. That's correct.

24 MS. GALLICCHIO: We can take that down.

25 Q. You testified on direct examination about the importance of

K2CYBRI3

Jensen - Cross

1 asking for this, because, to use your words, it's an "overt act  
2 that someone has to take to show interest in having sex with  
3 kids." Right?

4 A. Yes.

5 Q. But it is also, sharing STD tests, something responsible  
6 adults do before having sex with strangers. Right?

7 A. Correct.

8 Q. And it's an important part of your investigation, to get  
9 evidence of overt acts; right?

10 A. Correct.

11 Q. Sometimes you ask a suspect to bring something to a  
12 meeting; right?

13 A. Correct.

14 Q. You use that something as proof of their intention; right?

15 A. Correct.

16 Q. Sometimes, in your experience, you've asked suspects to  
17 bring candy for the children; right?

18 A. I have not.

19 Q. Do you know that to be a common practice?

20 A. Yeah.

21 Q. So if they show up with candy, it's an overt act; right?

22 A. Correct.

23 Q. Sometimes you ask them to bring condoms; right?

24 A. Correct.

25 Q. In this instance, you didn't ask Mr. Bright to bring

K2CYBRI3

Jensen - Cross

1 condoms; right?

2 A. We discussed condoms, and I wanted to see a printout to  
3 make sure he was clean.

4 Q. I asked: Did you ever ask him to bring condoms?

5 A. No.

6 Q. But you then asked him in the phone call that we heard if  
7 he could bring to the meeting another overt act, being the  
8 actual test results. Right?

9 A. Correct, because his name wasn't on it.

10 Q. And you asked him if he could print it out; right?

11 A. Correct.

12 Q. You wanted the actual hard copy; right?

13 A. Correct.

14 Q. And if he would have shown up with the actual hard copy, it  
15 would be strong evidence of his intent in your mind; right?

16 A. It would go to the totality of the investigation; right.

17 Q. It would be an overt act; right?

18 A. Correct.

19 Q. But when he showed up, he didn't even have a screenshot;  
20 right?

21 A. Correct.

22 Q. You asked him for it; is that right?

23 A. Correct.

24 Q. He said he didn't bring it.

25 A. Correct.

K2CYBRI3

Jensen - Cross

1 Q. He had to log in to the website of the testing facility to  
2 show it to you on his phone; right?

3 A. That's correct.

4 Q. As you've already said, you and the FBI are in possession  
5 of Mr. Bright's phone.

6 A. Correct.

7 Q. And part of your job is to investigate the receipt,  
8 possession, and distribution of child pornography. Right?

9 A. That's correct.

10 Q. In your experience, you have found that child molesters are  
11 likely to possess child pornography; right?

12 MR. LI: Objection.

13 THE COURT: Basis?

14 MR. LI: Relevance.

15 THE COURT: Yes. I'll sustain the objection.

16 BY MS. GALLICCHIO:

17 Q. In your experience, you look for child pornography every  
18 time you arrest somebody; right?

19 A. Yes. That's correct.

20 Q. So it's relevant to your investigation. Right?

21 A. Yes.

22 Q. And you look for it because there is some connection  
23 between child pornography and child molesters.

24 MR. LI: Objection.

25 THE COURT: Sustained.

K2CYBRI3

Jensen - Cross

1 BY MS. GALLICCHIO:

2 Q. Well, you look for it as an overt act; right?

3 A. Yes.

4 Q. And you looked for it in this case; right?

5 A. Yes.

6 Q. You spent weeks, if not months, examining Mr. Bright's  
7 phone in your possession. Right?

8 A. Correct.

9 Q. And you saw on his phone lots of photographs; right?

10 A. That's correct.

11 Q. Lots of naked photographs; right?

12 A. Correct.

13 Q. All of adults; right?

14 A. That's correct.

15 Q. Lots of naked photographs of Mr. Bright.

16 A. That's correct.

17 Q. Lots of pictures of his penis.

18 A. Correct.

19 Q. Lots of sexual photos and videos; right?

20 A. Yeah. A few. Yes.

21 Q. Of adults.

22 A. Yes. That's correct.

23 Q. But on his phone, you found not one single picture of child  
24 pornography; right?

25 A. I did not.

1 MS. GALLICCHIO: I have nothing further, your Honor.

2 THE COURT: All right. You may redirect.

3 REDIRECT EXAMINATION

4 BY MR. LI:

5 Q. Special Agent Jensen, you testified on cross-examination  
6 just now about reviewing the defendant's phone.

7 Do you recall that?

8 A. I do.

9 Q. And you testified to reviewing his phone for child  
10 pornography.

11 Do you recall that?

12 A. That's correct.

13 Q. Did Mr. Bright bring any other devices to the meeting?

14 A. Yes.

15 Q. Did you review all of the devices in his possession for  
16 child pornography?

17 A. No.

18 Q. Did you review any other device or account for child  
19 pornography, other than the phone?

20 A. Yes.

21 Q. What did you review for child pornography?

22 A. His Gmail account.

23 Q. Did you find any child pornography on his Google account,  
24 on his Gmail account?

25 A. No.

K2CYBRI3

Jensen - Redirect

1 Q. Were you able to review all of the devices and accounts  
2 belonging to the defendant for child pornography?

3 A. No.

4 Q. And the device that you were able to review for child  
5 pornography, the one that you did not find any child  
6 pornography on -- is that a device that he brought to the  
7 meeting with you?

8 A. That's correct.

9 Q. Is that also the same device on which he made his recording  
10 of the undercover meeting?

11 A. That's correct.

12 Q. I'd like to turn now to your discussion on  
13 cross-examination about the defendant's profile on KinkD.

14 Do you recall that discussion?

15 A. Yes.

16 MR. LI: Ms. Fetman, can we please pull up Defense  
17 Exhibit A. If I could ask you to turn to the second page,  
18 please. Thank you.

19 Q. Special Agent Jensen, do you recognize this?

20 A. I do.

21 Q. What is this?

22 A. This is part of the defendant's profile on KinkD.

23 Q. Do you see under the section "my role"?

24 A. I do.

25 Q. Do you see where it says, "Age player."

K2CYBRI3

1 A. I do.

2 MR. LI: Ms. Fetman, could I impose on you to put up  
3 Defense Exhibit D. Thank you.

4 Q. Special Agent Jensen, do you recognize Defense Exhibit D on  
5 the right here?

6 A. I do.

7 Q. What is Defense Exhibit D?

8 A. This is the screenshot of when you pick what role.

9 Q. Is one of the roles that the defendant selected age player?

10 A. Correct.

11 Q. Did you select the role age player for your account?

12 A. No.

13 MR. LI: Ms. Fetman, could we please pull up  
14 Government Exhibit 1.

15 Q. What is the role that you selected?

16 A. "Mommy."

17 Q. And who reached out to who on KinkD?

18 A. He reached out to me.

19 Q. Now, you testified on cross-examination that, in some  
20 cases, "mommy" has a certain meaning in age play.

21 Do you recall that?

22 A. I do.

23 Q. Does "mommy" have any other meanings?

24 A. Yes.

25 Q. What are some of the other meanings that "mommy" has?

K2CYBRI3

Jensen - Redirect

1 A. Having a daughter.

2 Q. Can it mean being a mother?

3 A. Of course.

4 Q. When you put "mommy" as your role but not age play, what

6 A. That I was a mom.

7 MR. LI: I apologize. Could we turn to Defense  
8 Exhibit A again. Sorry for all of the switching. Could you  
9 turn to the last page, please.

10 Q. Special Agent Jensen, we're looking now at Defense Exhibit

11 A.

12 Can you just remind us what of what we're looking at.

13 A. Yes. This is a continuation of his KinkD profile.

14 Q. When you say "his," do you mean the defendant?

15 A. That's correct.

16 Q. Do you see where it says: "Age range, 18 to 99"?

17 A. That's correct.

18 Q. Is it possible on the KinkD application to select an age  
19 lower than 18?

20 A. No.

21 MR. LI: We can take that down. Thank you.

22 Q. On cross-examination, you testified about the various  
23 websites that the FBI investigates for child exploitation  
24 cases.

25 Do you recall that discussion?

A. Good afternoon.

A. That's correct.

Q. In the Stevie conversation, was there an explicit discussion of DDLG?

A. It's stated in there, yes.

1 sometimes used in age play. Is that correct?

2 A. Correct.

3 Q. Does "princess" have any other meanings?

4 A. "Princess" is a term of endearment. "Princess" or "queen."

5 By "princess," I referred to the child.

6 Q. In your conversations with the defendant, what did you  
7 intend to convey with the word "princess"?

8 A. I was referring to "princess" as a seven-year-old girl.

5 defendant other pictures of your purported children?

6 A. Yes.

7 Q. How does the defendant respond to your picture? The one  
8 you just sent, the one we were just discussing. Excuse me.

9 A. He wrote: "Oooh. Play time sounds fabulous."

10 MR. LI: Let's turn to page 57, please, Ms. Fetman.

11 Q. Do you see the two blue chats to the left, the sort of  
12 second and third blue chats?

13 A. Yes.

14 Q. Now, on cross-examination, you discussed these chats.

15 Do you remember that discussion?

16 A. I do.

17 Q. Could you read these two chats, please.

18 A. "Oh, yeah. The reason I was curious about your involvement  
19 is that I was thinking that for explaining things like the  
20 clitoris, the proximity of the vagina and anus, etc., it would  
21 probably be easier to show them on you. There is only so much  
22 that I can demo on my phone, you know. If that's not something  
23 you would be comfortable with, that's okay."

4 5:23 p.m., which would be about 20 minutes after the chat we  
5 just looked at?

6 A. Yes.

7 Q. What is the message here?

8 A. "Do you want the lessons to be hetero normative?"

9 MR. LI: Ms. Fetman, could we turn to the next page,  
10 please.

11 Q. If you could read the chats in the green bubble to the

13 A. "Sorry for my ignorance. What do you mean by that? As

15 Q. "Does Kayla eat flowers and Braydon suck snakes?"

16 A. "Yes. Kayla licks mommy, and Braydon sucks snakes."

17 Q. "Okay. Cool. Well-rounded and free of prejudice."

18 We can stop there. Just the last couple of questions.

19 Special Agent Jensen, do you remember testifying  
20 earlier about the two phones on the defendant's person at the

7 Q. Good afternoon, Special Agent Spivack.

8 Are you currently employed?

9 A. I'm employed with the Federal Bureau of Investigation.

10 Q. Will you understand me if I refer to that agency as the  
11 FBI?

12 A. Yes, sir.

13 Q. What is your title there?

14 A. I'm a special agent.

15 Q. How long have you been a special agent with the FBI?

16 A. Since approximately 2008. Twelve years.

17 Q. Are you assigned to a particular unit within the FBI?

18 A. I am, sir. The Child Exploitation and Human Trafficking  
19 Task Force.

20 Q. How long have you been assigned to that unit?

21 A. Approximately ten years, sir.

22 Q. Have you been trained in the investigation of child  
23 exploitation cases?

24 A. I have.

25 Q. What sorts of training have you received?

K2CYBRI3B

Spivack - Direct

1 A. Numerous classroom-types of training to include undercover  
2 investigations, digital forensics, child forensic interviewing.  
3 I also am an instructor of undercover operations for child  
4 exploitations.

5 Q. Is that just a portion of your training, or is that all of  
6 it?

7 A. It's just a small portion.

8 Q. Let me turn your attention to May 22, 2019.

9 Did you participate in an arrest on that day?

10 A. I did, sir.

11 Q. Who did you arrest?

12 A. We arrested Peter Bright.

13 Q. Do you see the person you arrested here in the courtroom  
14 today?

15 THE COURT: You may stand up.

16 THE WITNESS: Thank you, sir.

17 I do, sir.

18 BY MR. LI:

19 Q. Could you please identify that person by location and an  
20 article of clothing.

21 A. Yes, sir. He's sitting behind a laptop or computer screen,  
22 eyeglasses, and I think that's a gray suit. Again, it's a  
23 little bit hard to tell from back here.

24 THE COURT: All right. Identifying the defendant.

1 Q. Where did the arrest occur?

2 A. It occurred in the vicinity of Duane Park just a few blocks  
3 from here in Manhattan.

4 Q. What was your role during the arrest?

5 A. My role that day, I was the acting on-scene commander that  
6 day.

7 Q. What does that mean?

8 A. Essentially I was in charge of the operation that day. I  
9 sort of oversaw the execution of the operation from the  
10 deployment of our undercover to the surveillance teams to the  
11 actual arrest itself and then transportation back to the  
12 office.

13 Q. How many law enforcement officers participated in that  
14 arrest?

15 A. Approximately eight or nine I believe.

16 Q. Was there a plan leading up to the arrest?

17 A. There was. Yes, sir.

18 Q. What was the plan?

19 A. The plan -- it was somewhat of a loose plan because timing  
20 is also something that's subject to change. But the plan was  
21 that when our undercover received notification that Mr. Bright  
22 was going to arrive at our designated meet spot; that our team  
23 would then deploy out to the vicinity of the park and stage in  
24 various locations that we had sort of prearranged for our  
25 surveillance cars and our surveillance agents on foot.

K2CYBRI3B

Spivack - Direct

1           We then planned dispatching our undercover agent who  
2           was going to meet with Mr. Bright. After a certain amount of  
3           time or a signal -- we had a couple of different scenarios that  
4           were mapped out -- our undercover was going to walk to a  
5           designated area which was our fictitious apartment just north  
6           of the park, at which point either the undercover or myself,  
7           sort of depending on the circumstance, would give the execution  
8           order to effect the arrest of both the undercover agent and  
9           Mr. Bright.

10           MR. LI: Ms. Fetman, please pull up for identification  
11           only Government Exhibit 8B.

12           Q. Special Agent Spivack, do you recognize this document?

13           A. I do, sir.

14           Q. What is it?

15           A. This is a map of the vicinity of Duane Park.

16           Q. Is this a fair and accurate representation of the area  
17           around Duane Park?

18           A. It is. Yes, sir.

19           MR. LI: The government offers Government Exhibit 8B.

20           MS. BAHARANYI: No objection.

21           THE COURT: Received.

22           (Government's Exhibit 8B received in evidence)

23           MR. LI: Ms. Fetman, please publish Government Exhibit  
24           8B.

25           Q. Special Agent Spivack, could you please describe where on

K2CYBRI3B

Spivack - Direct

1 this map the meeting occurred.

2 A. Yes, sir. Sort of right in the middle of the screen in the  
3 green area, the grassy area, the words "Duane Park." That's  
4 generally the vicinity of where the undercover and Mr. Bright  
5 met.

6 They may have been -- I don't have a cursor. I  
7 apologize -- just to the top of it where it says Duane Street  
8 and a little bit over to the left in the middle of the screen.  
9 That may have been where they first met.

10 I can't recall exactly. But we had vehicles placed  
11 and personnel placed sort of in and around the park to observe  
12 the meet which was in the park.

13 MS. BAHARANYI: Objection, your Honor. There's  
14 someone who is moving the cursor who is not the witness I  
15 believe.

16 MR. LI: We'll stop moving the cursor.

17 THE COURT: Ladies and gentlemen, if somebody is  
18 moving the cursor, please ignore it. If you were moving the  
19 cursor, please stop.

20 Does anybody want to own up to that? Maybe it was an  
21 accident. There we go. Now I know. I'll keep on eye out.

22 MR. LI: We can pull down Government Exhibit 8B.

23 Q. Special Agent Spivack, did the arrest go according to plan?

24 A. It did. Yes, sir.

25 Q. Was the defendant searched during the arrest?

K2CYBRI3B

Spivack - Direct

1 A. He was.

2 Q. Did you observe that search?

3 A. I did.

4 Q. Did he have anything on him?

5 A. He did.

6 Q. What did he have?

7 A. As I recall, he had a wallet in his pocket. He had a  
8 couple of cell phones, some condoms, I believe some other  
9 personal items as well.

10 Q. Now, you mentioned condoms.

11 Where were the condoms located on him?

12 A. I know that he had condoms in two places. He had condoms I  
13 know in his wallet and condoms in a pocket.

14 Q. Do you remember how many were in each location?

15 A. There were four condoms total as I recall, two in each  
16 location.

17 Q. So two in the pockets?

18 A. Correct.

19 Q. Special Agent Spivack, I'm showing you now what has been  
20 marked for identification as Government Exhibit 10.

21 Your Honor, may I approach the witness?

22 THE COURT: You may.

23 BY MR. LI:

24 Q. I've just handed you what's been marked for identification  
25 as Government Exhibit 10.

K2CYBRI3B

Spivack - Direct

1 Do you recognize Government Exhibit 10?

2 A. I do.

3 Q. What is it?

4 A. These are the condoms that were recovered on the person of  
5 Mr. Bright.

6 Q. How do you know that?

7 A. I remember seeing them, and I believe I'm the one that  
8 checked them into evidence. This is our evidence bag.

9 MR. LI: The government offers Government Exhibit 10.

10 MS. BAHARANYI: Your Honor, we don't object to the  
11 condoms being admitted, but we would object to the packaging or  
12 whatever is written on the packaging be admitted.

13 THE COURT: Let me see it.

14 I'm not understanding what you're objecting to.

15 MS. BAHARANYI: On the packaging, there is paper with  
16 words which would be hearsay, your Honor. So we wouldn't  
17 object to the contents.

18 THE COURT: Are you talking about the evidence log?

19 MS. BAHARANYI: The log.

20 THE COURT: Are you talking about the paper or  
21 aluminum in which the objects are placed?

22 MS. BAHARANYI: The evidence log, your Honor. We  
23 believe there is hearsay contained in that log. But we  
24 wouldn't object to the contents of that bag that's in your  
25 hand, your Honor, being admitted.

K2CYBRI3B

Spivack - Direct

1 THE COURT: All right. Your response?

2 MR. LI: Your Honor, we're not offering anything on  
3 the evidence log for its truth. It's only there to  
4 authenticate the document, authenticate the condoms. Excuse  
5 me.

6 THE COURT: All right. I'm going to allow it into  
7 evidence, having reviewed it to see whether there's anything  
8 with probative value that would be substantially outweighed by  
9 the danger of prejudice and finding none.

10 Ladies and gentlemen, the accompanying log is not to  
11 be considered for the truth of its content, but they go with  
12 the objects. I'm not going to require them to be separated.

13 MR. LI: Thank you.

14 MS. BAHARANYI: Your Honor, we would ask to be  
15 permitted to inspect the log then.

16 THE COURT: Of course. I'm sorry. You haven't seen  
17 the exhibit?

18 MS. BAHARANYI: No, your Honor.

19 THE COURT: Mr. Li, in the future, if you offer an  
20 exhibit, show it to defense counsel before you offer it,  
21 please.

22 MR. LI: Your Honor, we actually did show it to  
23 defense counsel, but we're happy to show it to them again.

24 THE COURT: Let them see it again.

25 MR. LI: I'll go retrieve it.

4 Q. Special Agent Spivack, can you please hold up Government

6 that the jury can see it.

7 A. Yes, sir.

8 Q. You can put it down now. Thank you.

9 Special Agent Spivack, you testified earlier that you  
10 also recovered two phones from the defendant.

11 Was one of the phones recording audio at the time of  
12 the arrest?

13 A. It was.

14 Q. Can you describe the phone that was recording audio.

15 A. I believe it was a Samsung. I know it was an android type  
16 of device.

17 Q. Are you sure as to the manufacturer of the device?

18 A. I'm not sure of the manufacturer, but I believe it was a  
19 non iPhone.

20 Q. How do you know that the phone was recording audio?

21 A. The defendant told me so.

22 Q. Did you personally observe it recording audio?

23 A. I did. Yes, sir.

24 Q. Did you terminate the audio recording?

25 A. I did.

K2CYBRI3B

Spivack - Direct

1 Q. When did you terminate it?

2 A. I terminated the audio once we were back at our office. I  
3 requested the defendant's consent to log into the phone to  
4 deactivate the recording device.

5 Q. Have you listened to the audio recording?

6 A. I have.

7 Q. Can you describe the audio recording, just in general  
8 terms.

9 A. In general terms, it begins with the defendant, for a  
10 fairly extended period of time, sort of speaking to himself,  
11 making utterances of such a variety about the pending meet with  
12 our undercover.

13 MS. BAHARANYI: Objection, your Honor.

14 THE COURT: I'm sorry?

15 MS. BAHARANYI: Objection, your Honor, to his  
16 characterization of what's in this evidence or what's in the  
17 recording.

18 THE COURT: Sustained.

19 Go ahead.

20 BY MR. LI:

21 Q. Then the recording -- let's move on actually.

22 With the Court's permission, I'll now read a portion  
23 of Government Exhibit 102, which is a stipulation between the  
24 parties. The stipulation is very lengthy. So with the Court's  
25 permission, I'm going to read portions of it and then

K2CYBRI3B

1 additional portions as they become relevant.

2 Government Exhibit 102 reads: "It is hereby  
3 stipulated and agreed, by and between the United States of  
4 America by Geoffrey S. Berman, United States Attorney for the  
5 Southern District of New York; Alexander Li; and Timothy  
6 Howard, assistant United States attorneys, of counsel; and  
7 Peter Bright, by and through his counsel, Amy Gallicchio, Esq.;  
8 and Zawadi Baharanyi, Esq., as follows:"

9 Paragraph 1: "Government Exhibit 6 is a compact disc  
10 containing clips of an audio recording. The audio recording  
11 was retrieved from the following cell phone with the  
12 international mobile equipment identifier 868160030003506 which  
13 was seized from Peter Bright at the time of his arrest on  
14 May 22, 2019.

15 "The audio recording was created using the same cell  
16 phone on May 22, 2019. The full duration of the audio  
17 recording is 1 hour, 34 minutes, and 29 seconds."

18 I'm going to now skip paragraphs 2 through 8 -- we'll  
19 get to those later -- and I'll just read the conclusion, which  
20 is that: "It is further stipulated and agreed that this  
21 stipulation, Government Exhibit 102, is admissible as a  
22 government exhibit at trial."

23 At this time, the government offers Government Exhibit  
24 102, which is the stipulation; Government Exhibit 6; and  
25 Government Exhibits 6A through 6G, which are the clips

15 Q. Have you reviewed the clips on government 6 in advance of  
16 your testimony today?

17 A. I have. Yes, sir.

18 Q. How do you know that?

19 A. This DVD has my initials on it which I initialed after  
20 having reviewed the contents.

5 only Government Exhibit 6T.

6 Special Agent Spivack, do you recognize this document?

10 the DVD, Exhibit 6.

11 Q. Have you reviewed the transcript in advance of your  
12 testimony today?

13 A. I have, sir.

14 MR. LI: Now I'm going to read another portion of  
15 Government Exhibit 102, a stipulation in evidence.

16 I'm sorry, Ms. Fetman. If you could take us to

21 for a limited purpose. These are not evidence of the crime  
22 charged which took place at a different period of time. They  
23 are items of evidence that you may consider if you find that  
24 they bear on the defendant's intent at the time of the charged  
25 crime. They may only be considered for that purpose, not for

21 right?

22 A. That is correct.

23 Q. He was compliant, right?

24 A. Yes, ma'am.

25 Q. When you arrested him he told you he wasn't going to have

K2CAABRI4

1 sex with any kids, right?

2 A. I believe that is correct, yes, ma'am.

3 Q. And he told you that he was recording the meeting that he'd  
4 just had with the undercover, right?

5 A. He did.

6 Q. That this recording was on his phone, right?

7 A. Yes, ma'am.

8 Q. And during his actual arrest, Mr. Bright was wearing some  
9 cargo pants, right?

10 A. I don't recall exactly what he was wearing. I know he had  
11 pockets.

12 Q. He was wearing pants with pockets, right?

13 A. Yes, ma'am.

14 Q. And there are a couple of pockets on his pants, correct?

15 A. That's correct.

16 Q. And his pockets were pretty full, right?

17 A. I can't say. I mean, I did not toss him personally. So, I  
18 can't say how full they were but I know they had stuff in them.

19 Q. When you say "toss him", you mean search him?

20 A. Yes, ma'am, like pull out the items from his pocket.

21 Q. But what you are aware that there were items taken off of  
22 his person?

23 A. Yes, ma'am.

24 Q. You are aware that there were numerous items taken off of

1 A. Yes, ma'am.

2 Q. And removed from his pockets, right?

3 A. Yes, ma'am.

4 Q. You know that he had money in his possession at this time  
5 of his arrest, right?

9 A. Yes, ma'am.

10 Q. That he had gum on him at the time of his arrest?

11 A. I don't know everything specifically that he had in his  
12 pockets. I know he had a bunch of miscellaneous items to  
13 include some of the things that you just mentioned but I can't  
14 recall every specific item that was sort of benign or everyday.

15 Q. You prepared a FD-302 in relation to this case, right?

16 A. That's correct.

17 Q. That's an interview form, right?

18 A. That is correct, yes, ma'am.

19 Q. And it's an interview form used by the FBI frequently,  
20 right?

21 A. Yes, it is.

22 Q. And in one of the forms this interview form is prepared the  
23 day after his arrest, right?

24 A. I can't say. If do you have a copy of it, I know the date  
25 that I drafted the 302 would be on there. I don't know if it

K2CAABRI4

Spivack - Cross

1 was the day after but it certainly would have been within the  
2 couple of days.

3 MS. BAHARANYI: Mr. Fisher, could you show the witness  
4 3504-05.

5 MR. LI: Objection, your Honor. Can you clarify the  
6 purpose of what's going on here?

7 THE COURT: Is it to refresh the witness's  
8 recollection.

9 MS. BAHARANYI: At this point the witness said he does  
10 not recall what was on Mr. Bright's person and he prepared the  
11 report.

12 THE COURT: So the answer to my question is "yes"?

13 MS. BAHARANYI: Yes, your Honor.

14 THE COURT: OK. Thank you.

15 (Pause)

16 Q. Do you see the form in front of you?

17 A. I do yes, ma'am.

18 Q. That's the FD-302, right?

19 A. That is correct.

20 Q. And that was prepared on May 23rd, right?

21 A. That is correct.

22 Q. The day after Mr. Bright's arrest?

23 A. Yes, ma'am.

24 Q. And in that form you list the items --

25 THE COURT: Whoa. Whoa. You can't read from the

K2CAABRI4

1 content of a document not in evidence.

2 MS. BAHARANYI: Apologies.

3 THE COURT: You may, this is what can you do. What  
4 exhibit is it?

5 MS. BAHARANYI: This is the 3500 for Agent Spivack.

6 THE COURT: 3504-09?

7 MS. BAHARANYI: Yes, your Honor.

8 THE COURT: OK. So, Special Agent Spivack, please  
9 review the document and see whether it refreshes your  
10 recollection on the subject about which you've been asked.  
11 After you've finished reading it fully, let counsel know and  
12 Ms. Baharanyi will take it off the screen and then you can ask  
13 the question of whether your review of it refreshes your  
14 recollection.

15 THE WITNESS: Understood, sir.

16 THE COURT: OK.

17 (Pause)

18 THE WITNESS: OK.

19 Q. There are two pages there. Have you reviewed the second  
20 page, as well?

21 A. No, ma'am. If somebody could -- there we go.

22 Q. Thank you much.

23 A. OK.

24 Q. You're aware of items, are you now refreshed on the items  
25 that were found on Mr. Bright's person?

K2CAABRI4

Spivack - Cross

1 A. Yes, ma'am, with the caveat that the phrase "pocket litter"  
2 in the 302 refers to a variety of miscellaneous everyday items.  
3 So to the extent there's something specific, that's not  
4 referenced in 302.

5 THE COURT: Here is the question. Did reading the 302  
6 give you a new and refreshed recollection of the subject about  
7 which you were asked?

8 THE WITNESS: Yes, sir.

9 THE COURT: OK. All right. Thank you.

10 MS. BAHARANYI: So let's discuss the items that were  
11 found on Mr. Bright including this pocket litter?

12 THE COURT: Ask him what his recollection is.

13 Q. Are you now aware or do you now remember what was found on  
14 Mr. Bright at the time of his arrest?

15 A. I do, yes, ma'am.

16 Q. There was pocket litter found on Mr. Bright at the time of  
17 his arrest, right?

18 A. Yes, ma'am.

19 Q. And let's discuss his pocket litter. Pocket litter can be,  
20 there are miscellaneous items, right?

21 A. Yes, ma'am.

22 Q. So pieces of paper?

23 A. Yes, ma'am.

24 Q. Receipts?

25 A. Yes, ma'am.

K2CAABRI4

Spivack - Cross

1 Q. Business cards?

2 A. Yes, ma'am.

3 Q. And on Mr. Bright you found numerous miscellaneous items in  
4 his pockets, right?

5 A. We found pocket litter. I don't know how much.

6 Q. You didn't take pictures of items found on Mr. Bright,  
7 right?

8 A. I did not, no, ma'am.

9 Q. You didn't bring to court the items that were found on  
10 Mr. Bright?

11 A. No, ma'am.

12 Q. But you do recognize there were a number of items in his  
13 pockets, right?

14 A. Yes, ma'am.

15 Q. At the time of his arrest?

16 A. Yes, ma'am.

17 Q. Now, you interviewed Mr. Bright immediately after his  
18 arrest, right?

19 A. Yes, ma'am.

20 Q. And during this interview you discussed his devices, right?

21 A. Yes, ma'am.

22 Q. And he actually gave you permission to search his  
23 electronic devices; is that right?

24 A. That is correct.

25 Q. His computer?

K2CAABRI4

Spivack - Cross

1 A. Yes, ma'am.

2 Q. And his computer was located in his apartment, right?

3 A. That is correct.

4 Q. So he gave you permission to go inside of his apartment and  
5 get his computer, right?

6 A. That is correct.

7 Q. In order to search it, right?

8 A. That is correct, yes, ma'am.

9 Q. He also gave you permission to search his phones; is that  
10 right?

11 A. That is correct.

12 Q. And his Google account, right?

13 A. I can't be certain if he gave us permission for the Google  
14 account or if we obtained a search warrant for that.

15 Q. So he gave you permission to search his DrPizza Google  
16 account, right?

17 A. I can't be certain if we obtained the Google account  
18 pursuant to consent or if we obtained a search warrant.

19 MS. BAHARANYI: Mr. Fisher, could you please show the  
20 witness 35004, please.

21 (Pause)

22 A. Oh, OK. Yes, ma'am.

23 Q. So, Agent Spivack, 3504-08 is a consent?

21 specify in social media.

22 Q. In general how do you provide assistance on social media?

24 identifying defendants' social media profile or what I can also

K2CAABRI4

1 anything that's on the social media profile.

2 Q. Have you received training in social media investigations?

3 A. Yes. I've received in-house trainings. I've also attended

6 with some of the lingo commonly used on social media?

7 A. Yes, I have.

8 Q. Are you familiar with the internet platform Twitter?

9 A. Yes.

10 Q. What is Twitter?

11 A. Twitter is a micro-blogging social media platform.

12 Q. Can you explain what that means?

13 A. It means sort of you are able to share your thoughts as you  
14 would with blogging, Twitter sort of limits it to a specific  
15 amount of characters. They call it specifically a "tweet".

16 Q. Who can see a tweet?

17 A. Well, depending on how your profile is set up --

18 MS. BAHARANYI: Objection, your Honor.

19 THE COURT: Basis?

20 MS. BAHARANYI: This witness has not been tendered as  
21 an expert on matters of social media or Twitter. I'm not sure  
22 that this is proper.

23 THE COURT: I think this is just general background.  
24 This is not expert opinion here and I won't allow any --  
25 objections to any opinions.

10 Q. What were you are looking for?

14 you mean by that?

15 A. Anything that had to do with any child enticement or  
16 anything relating to that matter.

17 Q. Were the Twitter posts you reviewed public or private?

18 A. They were all public.

19 Q. Can any member of the public view the Twitter post you were  
20 looking at?

21 A. Correct, as long as they have the --

22 MR. LI: Please pull up Government Exhibit 45 through

1 A. Yes, I do.

2 Q. What are they?

3 A. These are, one is a Twitter handle with the bio and the  
4 others are tweets and tweet threads from the Twitter profile  
5 @DrPizza.

6 Q. Are what we are looking at, are they screen shots?

7 A. Correct, they are screen shots.

8 Q. Are these fair and accurate screen shots of the Twitter  
9 profile as you reviewed them?

10 A. Yes.

11 MR. LI: The government offers Government Exhibit 45  
12 through 48.

13 MS. BAHARANYI: No objection, your Honor.

14 THE COURT: All right. Now, ladies and gentlemen,  
15 this comes into the category of my prior limiting instruction.  
16 This evidence is not evidence of the crime charged. All right?  
17 It doesn't relate to the crime charged in the indictment. It's  
18 evidence relating events and conduct at an earlier point in  
19 time which the party offering it, the government, contends  
20 sheds light on the intent of the defendant at the time of the  
21 crime. You may only consider this evidence for that limited  
22 purpose.

23 Received.

3 Q. Mr. Medrano, do you see the photograph in the center of

5 A. Yes.

6 Q. What is this photograph?

7 A. It's a photograph of the user of this profile can post to  
8 sort of identify themselves.

9 MR. LI: Ms. Fetman, can you please publish Government  
10 Exhibit 3B which is in evidence side-by-side with Government

13 MR. LI: You can take down now Government Exhibit 3B.

14 (Pause)

15 Q. Mr. Medrano, do you see underneath the photograph where it  
16 says the words "Pumpkin Fright"?

17 A. Yes.

18 Q. What is that?

19 A. That is a name that he used to identify himself as with the  
20 profile.

21 Q. And do you see beneath that the words @DrPizza?

22 A. Yes.

23 Q. What does that mean?

24 A. @DrPizza is a unique identifier. So that one specifically  
25 pertains to his profile. That's how you would sort of find him

2 Q. Can two Twitter accounts have the same handle?

6 (Pause)

7 Q. Turning your attention to Government Exhibit 11, do you see

9 A. Yes, I do.

10 Q. Do you see the words @DrPizza?

11 A. Yes.

12 MR. LI: We can take down Government Exhibit 11.

14 Q. Turning your attention now to Government Exhibit 45, do you

22 Q. When you reviewed the @DrPizza account, approximately, how  
23 many tweets were on that account?

25 Q. Did you review all two hundred thousand tweets?

K2CAABRI4

Medrano - Direct

1 A. No, I did not.

2 Q. Why not?

3 A. That's too excessive, too many tweets for myself to be able  
4 to do on my own. It would take more than a month to do that.

5 MR. LI: All right. Ms. Fetman, please take down  
6 Government Exhibit 45 and public Government Exhibit 46.

7 (Pause)

8 Q. Mr. Medrano, what is Government Exhibit 46?

9 A. This is a Twitter thread. So this is sort of a  
10 conversation between two people, two individuals on Twitter.

11 Q. Who are the two individuals that were communicating in this  
12 thread?

13 A. One is @Catovich and other is @DrPizza.

14 Q. When did this exchange occur?

15 A. May 8, 2013.

16 Q. All right. Let's read the first four posts starting at the  
17 top. If you could read the posts by @Catovich, I'll read the  
18 post by @DrPizza.

19 "A. They really think the problem is a some of the people who  
20 committed all of the crimes are finally being punished, not the  
21 crimes themselves.

22 "Q. Maybe they think that the capacity to consent doesn't  
23 emerge fully formed as soon as someone reaches their 16  
24 birthday?

25 "A. Then the same argument could be made about reaching

2 "Q. I wouldn't disagree. I think age based rape laws rather

9 Q. Mr. Medrano, what is this.

10 A. These are tweets from the profile @DrPizza.

11 Q. When were these tweets posted?

12 A. On October 18, 2009.

13 Q. Is the oldest tweet at the bottom or the top?

14 A. It is at the bottom.

15 Q. Would you please read the post starting at the bottom?

16 A. Correct.

17 There is an astonishing amount of jail bait on this  
18 flight. Looks like some school -- or similar. Oh, Jesus  
19 Christ. They're talking about fucking Twilight.

20 The next one reads: @.bender fortunately they seem to

9 A. May 15, 2009.

10 Q. Please read the post.

11 "A. Admiring the jailbait on the train. Rowr.

12 MR. LI: Just a moment, your Honor, please.

21 THE WITNESS: Thank you, judge.

24 KENNETH ROBERT FISHER, III,

25 called as a witness by the Plaintiff,

K2CAABRI4

Fisher - Direct

1           having been duly sworn, testified as follows:

2       DIRECT EXAMINATION

3       BY MR. LI:

4       Q.   Good afternoon, Mr. Fisher.

5               Are you currently employed?

6       A.   Yes.

7       Q.   Where do you work?

8       A.   I work at Conde Nast in a business unit called Ars  
9       Technica.

10      Q.   What is Ars Technica?

11      A.   It's a technology publication. We cover high-end tech. We  
12      cover consumer technology. We also cover science,  
13      particularly, science as it relates to recent discoveries,  
14      things like this and then also lastly, kind of cultured stuff  
15      that, let's say people who are really into tech would be  
16      interested in like geeky movies and things like that.

17      Q.   When was Ars Technica founded?

18      A.   1998.

19      Q.   What is your title there?

20      A.   Founder and editor-in-chief.

21      Q.   Have you been the editor-in-chief since the founding?

22      A.   Yes.

23      Q.   What are your responsibilities as the editor-in-chief?

24      A.   I am in charge of setting the strategy for the brand,  
25      meeting revenue goals as dictated by corporate. I also

K2CAABRI4

Fisher - Direct

1 overlook, basically, daily operations, quality control, hiring,  
2 firing and sort of big projects and occasionally I actually  
3 edit something.

4 Q. How many employees work at Ars Technica?

5 A. About 30.

6 Q. How many of those are editorial staff?

7 A. Approximately, 20.

8 Q. What do you understand editorial staff to mean?

9 A. Editorial staff for us would be people who are essentially  
10 paid journalist who operate according to journalistic efforts  
11 in order to cover the issues I mentioned before, the sort of  
12 stuff, where they go out, they find stories, they report, we  
13 edit it, that kind of thing. So it wouldn't include anything  
14 like shooting video or taking photographs. It's basically  
15 mostly writing and reporting for us.

16 Q. Do all of Ars Technica employees work at the same physical  
17 location?

18 A. No.

19 Q. How do employees communicate with each other?

20 A. We have a few methods. The primary method of communication  
21 is a collaborative app called "Slack". It's something  
22 everybody installed on their computer. They join a chat room  
23 and chat back and forth. The second way is that everyone has a  
24 good old fashioned desk phone that we connect over the Internet  
25 so it acts like you are all in the office so you can dial an

K2CAABRI4

Fisher - Direct

1 extension. Lastly, there's of course the old fashioned e-mail.  
2 I suppose I should add, we also do phone calls. We actually do  
3 talk to each other and have conferences and things.

4 Q. In the course of your work at Ars Technica, did you come to  
5 know someone named Peter Bright?

6 A. Yes.

7 Q. How do you know Peter Bright?

8 A. I knew Peter first as reader of the site. For the first  
9 five or six years I think he was a reader and a contributor.  
10 We had an online portion where anyone could write, share ideas  
11 insights, et cetera. And essentially he started writing for us  
12 on a contract basis and then after Ars Technica was acquired by  
13 Conde Nast in 2008 we formalized those contracts and then he  
14 was eventually hired about Conde Nast approximately 2011, I  
15 think so.

16 Q. Do you see the Peter Bright who worked at Ars Technica  
17 sitting in the courtroom today?

18 THE COURT: You can stand up.

19 A. Yes.

20 Q. Please identify him by where he is sitting and an article  
21 of clothing.

22 A. He is at the second table back, three from the two young  
23 women there to my left wearing a, looks like a gray blazer.

24 THE COURT: Identification noted.

25 Q. What were Mr. Bright's job responsibilities at Ars

K2CAABRI4

Fisher - Direct

1 Technica?

2 A. He was our technologist who focused on Microsoft but really  
3 he was a resource for any kind of deep technical issue. So he  
4 could cover CPU architecture. He could cover things going on  
5 at Apple. He could cover pretty much anything that took a  
6 degree of expertise in the kind of computer field. But it was  
7 all essentially supposed to be mostly Microsoft stuff but  
8 Microsoft sometimes didn't do a lot of exciting things and he  
9 would need to cover other things.

10 Q. How often did Mr. Bright write for Ars Technica?

11 A. Roughly, would submit one thing a day, give or take.

12 Q. Over the decade or so that Mr. Bright worked at Ars  
13 Technica, do you have any idea how many articles he wrote?

14 A. I do not. It would be in the hundreds.

15 Q. So, of the hundreds of articles that he wrote, were they  
16 focused on the areas of technology that you just described?

17 A. Yes.

18 Q. Who did Mr. Bright report to?

19 A. Technically, he reported to me in terms of the company's  
20 reporting structure. But on a day-to-day operational  
21 standpoint he would have reported to the managing editor.

22 Q. When Mr. Bright first came on to work at Ars Technica, how  
23 often did you interact with him?

24 A. Quite a bunch initially. We brought him on to cover things  
25 that we were struggling with. And you know, so in the initial

K2CAABRI4

Fisher - Direct

1 phases there was a lot of contact just sort of setting up what  
2 he would do, what he is covering, what our specific needs might  
3 be, how to combine notes with his interests. Through the years  
4 Peter achieved, you know, a level of comfort and just facility  
5 with his job such that at least as far as I am concerned, I did  
6 not have the need to have common contact with him.

7 Q. So in more recent years, how often did you interact with  
8 Mr. Peter -- excuse me -- Mr. Bright?

9 A. I would say a couple times a week if we could exclude  
10 someone making a joke in the aforementioned Slack channel and  
11 somebody saying ha, ha, not real interaction but.

12 Q. Did Mr. Bright work in the same physical location as you?

13 A. No.

14 Q. Did Mr. Bright work in the same city as you?

15 A. No.

16 Q. Are you familiar with Mr. Bright's writing?

17 A. Yes.

18 Q. How are you familiar with it?

19 A. Well, it was published on our site. So ostensibly I try to  
20 read everything we publish. It's not possible any longer. But  
21 I would have read or edited most of his work at some point.

22 Q. Did Mr. Bright get assignments from his managing editor or  
23 did he come up with his own science?

24 A. It would have been a mix. It was essentially understood  
25 that Peter could decide to cover a specific issue on his own if

K2CAABRI4

Fisher - Direct

1 it were in the established areas that he covered. So he didn't  
2 necessarily he didn't need any of us to tell him. If something  
3 was newsworthy from Microsoft, for instance, he knew that  
4 already but in those times when there weren't, things  
5 assignments could be made.

6 Q. And was child exploitation in that usual area that you just  
7 described?

8 A. No.

9 Q. If Mr. Bright wanted to write about child exploitation,  
10 would you have expected him to pitch that idea by you?

11 A. Yes.

12 MS. BAHARANYI: Objection, your Honor.

13 THE COURT: No. I'll allow it.

14 Go ahead.

15 Q. Did he ever pitch an article on child exploitation?

16 A. No.

17 Q. Did he ever write an article on exploitation at Ars  
18 Technica?

19 A. Not that I can recall.

20 Q. Was there a way at Ars Technica for you to generally keep  
21 track of what Mr. Bright was writing about?

22 A. Yes. We had a couple different systems that we used to  
23 track what people are doing mostly to keep people from sort of  
24 stepping on each other's toes, if that makes sense, who's doing  
25 what. So we would have had the benefit of something we called

K2CAABRI4

Fisher - Direct

1 "The Dashboard" which is sort of a near term record of what's  
2 happening and then the analytic software we have makes it  
3 extremely easy to review anyone's work over any period of time  
4 that you might wish to do so.

5 Q. Was there also any more informal methods of keeping track  
6 of what different reporters were writing about?

7 A. There was in the last four or five years that we've created  
8 something called daily updates. And daily updates was just a  
9 channel in the end slack that you would pop into and say, I'm  
10 doing this. And the point of doing that was two-fold. One, it  
11 let us know that you were working on something which was  
12 critical. But secondly, it gave us the opportunity to put the  
13 brakes on anything that we didn't think should be done or if we  
14 thought someone else would want it or was more qualified to  
15 cover it.

16 Q. Were you a member of that channel?

17 A. Yes.

18 Q. Did Mr. Bright ever pitch anything on that channel about  
19 child exploitation?

20 A. Not that I recall.

21 Q. Would you approve an article by Mr. Bright on child  
22 exploration?

23 MS. BAHARANYI: Objection, your Honor.

24 THE COURT: No. I'll allow it.

25 Based on your practice an experience.

K2CAABRI4

Fisher - Direct

1 A. Based on my practice and experience, no.

2 Q. Why not?

3 A. We actually have a deputy editor at Ars Technica who's been  
4 with us for a very long time who's written extensively on these  
5 topics. She's authored a book, not specifically about child  
6 exploitation but more generally about the new error of law  
7 enforcement, digital age and that was a significant component  
8 of it. So, in other words, were that something that would be  
9 explored, we would naturally go to the person who's the subject  
10 matter expert in it and have them do that.

11 Q. Are you familiar with the term "investigative journalism"?

12 A. Yes.

13 Q. What is investigative journalism?

14 A. Investigative journalism usually involves identifying a  
15 complex cluster of problems or questions that not easy answers  
16 to find. Typically, if you are doing investigative journalism  
17 you are developing sources across a wide field. You are  
18 talking to those sources, trying to learn what they know. Get  
19 information from the back channel, get background et cetera.  
20 Investigative journalism is typically done as part of a team so  
21 that everyone is on the same page with the strategy that you  
22 are implementing and if it's a sensitive issue it would also  
23 involve legal.

24 Q. Was Mr. Bright an investigative journalist at Ars Technica?

25 A. No.

K2CAABRI4

Fisher - Direct

1 Q. Was Mr. Bright a full-time employee at Ars Technica?

2 A. Yes.

3 Q. As a full-time employee was he paid by the story?

4 A. No.

5 Q. As a full-time employee of Ars Technica was he allowed to  
6 write for other publications without permission?

7 MS. BAHARANYI: Objection, your Honor; leading.

8 THE COURT: No. I'll allow it.

9 A. No, not without approval from the company.

10 Q. Did he ever ask for permission to write an article for  
11 another publication?

12 A. No.

13 Q. Is Mr. Bright still employed at Ars Technica?

14 A. No.

15 Q. Have you read the criminal complaint in this case?

16 MS. BAHARANYI: Objection, your Honor; relevance.

17 THE COURT: Yes. What's the relevance?

18 MR. LI: Lack of bias, your Honor.

19 THE COURT: I'll allow it.

20 A. Yes, I have.

21 Q. Has your review of that complaint altered your testimony in  
22 any way here today?

23 A. No.

24 MR. LI: No further questions.

25 THE COURT: All right. You may cross-examine.

1 CROSS-EXAMINATION

2 BY MS. BAHARANYI:

3 Q. Good afternoon, Mr. Fisher.

4 A. Good afternoon.

6 A. Correct.

7 Q. And this includes articles in the realm of law enforcement  
8 in the digital age, as well?

9 A. Yes.

11 published articles on how the Internet is used to commit crimes  
12 against children, right?

13 A. Yes.

14 Q. Also publish articles on child exploitation, right?

15 A. Yes.

16 Q. Ars Technica is also published on the topic of when teens

21 A. Correct.

22 Q. Prosecuted for sending nude selfies, right?

23 A. Yes.

24 Q. This has been a popular subject area recently, right?

25 A. Yes.

K2CAABRI4

Fisher - Cross

1 Q. Within the past few years, right?

2 A. Last decade, I'd say.

3 Q. Now, you testified that Mr. Bright himself never wrote  
4 about child exploitation, right?

5 A. Correct.

6 Q. But his co-workers did, right?

7 A. Yes.

8 Q. Mr. Bright worked remotely, right?

9 A. Yes.

10 Q. As did his other co-workers?

11 A. Yes.

12 Q. But they're able to communicate with each other, right?

13 A. Right.

14 Q. You listed a few different ways. So, like you communicated  
15 by phone, right?

16 A. Yes.

17 Q. Phone over the Internet, correct?

18 A. Yes.

19 Q. They can communicate by e-mail?

20 A. Yes.

21 Q. And they also communicate on Slack, right?

22 A. Correct, yeah.

23 Q. So Slack is this platform that all of your employees have  
24 to check into, right?

25 A. We don't require its use but not using it would be a

K2CAABRI4

Fisher - Cross

1 massive inconvenience or anyone.

2 Q. So your employees are expected to check-in to Slack?

3 A. Yes.

4 Q. They communicate with each other on the Slack platform?

5 A. Yes.

6 Q. Rather frequently?

7 A. Oh, yes.

8 Q. They communicate, they talk to each other about what  
9 they're working on, right?

10 A. Yep.

11 Q. They talk to each other about what they're writing, right?

12 A. Correct.

13 Q. And there are also ways for your employees to read each  
14 other's work, right?

15 A. Correct, yes.

16 Q. They could read their co-workers work on the website, for  
17 example?

18 A. Yes.

19 Q. And you testified as well that there's this Dash Board,  
20 right?

21 A. Um-hmm. Yes.

22 Q. That Dashboard is another way for employees to know who's  
23 working on what, right?

24 A. Correct.

25 Q. And so Mr. Bright had access to Slack while he was working

K2CAABRI4

Fisher - Cross

1 at Ars Technica, right?

2 A. Yes.

3 Q. He had access to Dashboard when he was working at Ars  
4 Technica?

5 A. Yes.

6 Q. And he was able to freely communicate with the other  
7 employees at Ars Technica, right?

8 A. Yes.

9 Q. And talk to them about what they were writing, right?

10 A. Yes.

11 Q. And he talked a bit about what's expecting of your writers  
12 at Ars Technica.

13 A. Yes.

14 Q. Ars Technica has a representation of being a trusted source  
15 in technology use, right?

16 A. Yes.

17 Q. Your writers are expected to write well, right?

18 A. Absolutely.

19 Q. They're expect to report technology used accurately, right?

20 A. Yes.

21 Q. That means corroborating what they write, right?

22 A. Generally, yes, demonstrating that they're correct.

23 Q. So generally, backing up what it is that they're writing  
24 right?

25 A. Yes.

K2CAABRI4

Fisher - Cross

1 Q. They sometimes interview sources for information, right?

2 A. Yes.

3 Q. They certainly engage in fact checking when they're  
4 preparing an article, right?

5 A. Yes.

6 Q. And you expect your writers to engage in sort of fact  
7 checking, right?

8 A. Most certainly, right.

9 Q. It's part of being a good journalist?

10 A. Yes.

11 Q. Mr. Bright was good journalist, right?

12 A. Yes.

13 Q. And he started off with your company as a freelancer,  
14 right?

15 A. Yes.

16 Q. On contracts?

17 A. Yes.

18 Q. And then you promoted him at Ars Technica, right?

19 A. Correct.

20 Q. To full-time work?

21 A. Yes.

22 Q. And you knew Mr. Bright fairly well when he worked at Ars  
23 Technica?

24 A. Yes.

25 Q. And you knew him before then?

K2CAABRI4

Fisher - Cross

1 A. Yes.

2 Q. You know his personality fairly well, right?

3 A. I would think so.

4 Q. You are familiar with his online persona, right?

5 A. Yes.

6 Q. Mr. Bright likes to play the devil's advocate online,  
7 right?

8 A. Yes, does.

9 Q. He likes to argue, right?

10 A. Yes.

11 Q. He would take unpopular positions just to take them, right?

12 A. It certainly seemed that way, yes.

13 MR. LI: Objection.

14 Q. This is a difference between Mr. Bright in person that you  
15 noticed and Mr. Bright online, right?

16 A. Yeah, a degree of difference, yes.

17 Q. He was a provocative person online, right?

18 A. Generally, yes.

19 MS. BAHARANYI: No further questions, your Honor.

20 THE COURT: All right. Redirect?

21 MR. LI: No redirect, your Honor.

22 THE COURT: All right. Thank you, sir. You may step  
23 down. You are excused.

24 Government may call its next witness.

25 MR. LI: The government rests, your Honor.

K2CAABRI4

1 THE COURT: All right. The defendant may call their  
2 first witness.

3 MS. GALLICCHIO: Your Honor, we have just a motion.

4 THE COURT: All right. You want to come to side bar  
5 for a second.

2 MS. GALLICCHIO: This will be brief. We do have a  
3 motion pursuant to Rule 29 for a judgment of acquittal and that  
4 the evidence is insufficient to support this charged crime.

5 THE COURT: All right. Thank you. I will take the  
6 motion under advisement.

Dr. Cantor - Direct

1 (In Open Court)

2 MS. BAHARANYI: Your Honor, we call Dr. James Cantor.

3 THE COURT: All right.

4 DR. JAMES MICHAEL CANTOR,

5 called as a witness by the Defendant,

6 having been duly sworn, testified as follows:

7 DIRECT EXAMINATION

8 BY MS. BAHARANYI:

9 Q. Good afternoon, Dr. Cantor.

10 A. Good afternoon.

11 Q. Dr. Cantor, where are you currently employed?

12 A. I am a psychologist and director at the Toronto Sexuality  
13 Center.

14 Q. Can you please describe your educational background?

15 A. I have a PhD in clinical psychology and a masters degree in  
16 psychology. Mostly, I am a sex therapist and sex researcher  
17 and I studied primarily atypical sexualities.

18 Q. As part of your PhD program, did you complete a  
19 dissertation?

20 A. Yes, I did.

21 Q. What was that dissertation on?

22 A. It was in neurochemistry. At that time prozac will just  
23 come out and very quickly it was recognized that there were  
24 certain antisexual side effects of prozac. In meant it would  
25 reduce ejaculation and it would sometimes decrease sex drive.

K2CAABRI4

Dr. Cantor - Direct

1 I had an hypothesis of exactly how and what in the brain was  
2 causing that side effect and so my dissertation was to find a  
3 way and to actually test in rats a way to fix that side effect.

4 THE COURT: Thank you, Dr. Cantor.

5 Q. Thank you, Dr. Cantor.

6 When did you complete this dissertation?

7 A. 1999.

8 Q. And can you also describe the training that you've received  
9 in psychology?

10 A. Certainly. I started with as I say, a master degree from  
11 Boston University in general psychology and then I did my PhD  
12 in clinical psychology at McGill University. I then did a  
13 post, set of post doctoral studies in the neuroscience of  
14 atypical sexuality.

15 Q. Did you have any clinical training as part of your  
16 educational background?

17 A. Yes, I did. The standard part of a PhD in clinical  
18 psychology is a series of practical placement over the course  
19 of the degree, followed by a full-time full year clinical  
20 placement in clinical psychology.

21 Q. And your training and educational background has there been  
22 a particular focus of that training?

23 A. The training itself was about human sexuality and then over  
24 time I specialized more and more deeply in atypical  
25 sexualities.

K2CAABRI4

Dr. Cantor - Direct

1 Q. Let's get back to where you are. You are currently at the  
2 Toronto Sexuality Center?

3 A. That's correct.

4 Q. What is your position there?

5 A. I am the director and founder.

6 Q. As the director, what do you do?

7 A. I see clients directly myself one or two days a week. A  
8 large portion of that is also supervising and doing the  
9 administrative work of other psychologists in my employ and I  
10 do a certain amount of consultation and some witness testimony  
11 like today's.

12 Q. And when you see clients, what do you see them for?

13 A. It's a range of things. Because my name is well-known in a  
14 typical sexualities I'm often sought out by people specifically  
15 to address those kinds issues. For some people, they're unsure  
16 about exactly what their sexualities are, what they mean,  
17 whether they should be integrating them into their lives or to  
18 deal with the discontent or unease some people have when they  
19 don't fit into a regular mode of being into regular plain  
20 vanilla everyday kinds of sex.

21 A portion of that is also people who are kinky. They  
22 also, but aren't suffering any kinds of problems because of  
23 their kink directly but have the same kinds of depression  
24 problems and anxiety problem and problems living that everybody  
25 else has but because relatively few psychologists have any

K2CAABRI4

Dr. Cantor - Direct

1 expertise specifically with atypical sexualities, they find  
2 that a lot of psychologists kind of attribute all problems to  
3 the kink --

4 THE COURT: All right. I think you're answered the  
5 question.

6 THE WITNESS: OK.

7 THE COURT: Have you been briefed on the Court's  
8 rulings in this case?

9 MS. BAHARANYI: He has, your Honor.

10 THE COURT: I'm asking the witness.

11 THE WITNESS: No, I don't think so.

12 THE COURT: OK. Well, then we're going to recess  
13 right at this point and I am going to make sure that you are.

14 So, ladies and gentlemen, please have a very pleasant  
15 evening. We should all be optimistic when we look out the  
16 window and it's five o'clock and there's actually daylight. It  
17 wasn't the case that long ago.

18 And you know what I'm going to tell you next. Keep an  
19 open mind. Do not discuss the case among yourselves or with  
20 anyone. Do not do any research on your own. And I will see  
21 you tomorrow morning for a good ten o'clock start.

22 And thank you.

23 (Jury not present)

24 THE COURT: All right. Please be seated.

25 Dr. Cantor, you do neuroscience and psychology. I do

K2CAABRI4

Dr. Cantor - Direct

1 law. And in the legal process an issue arises from the  
2 arguments of the parties. And the matter on which I am going  
3 to instruct you is a matter in which there was argument and  
4 briefing from the parties and then there was a ruling made by  
5 the Court which has been communicated to the parties and this  
6 relates to your testimony. It's not a reflection on your  
7 expertise in any way or your knowledge on certain subjects.  
8 It's what under the rules of evidence in a federal proceeding  
9 can come in.

10 So I have ruled that you may testify on the fact that  
11 there is such a thing as I understand you're prepared to  
12 testify. There is such a thing as age-based role play that  
13 adults engage in. And you may testify as to what age-based  
14 role play is based on your experience provided. You can do  
15 that based on your actual experience in your practice and in  
16 your studies. That is the only area that you may testify in.

17 You may not testify as to the propensity or likelihood  
18 that a person who engages in age-based role play would or would  
19 not be likely to commit any act with a flesh and blood child.  
20 You may not testify as to the characteristics of pedophiles and  
21 what their profile is.

22 So, do you understand my ruling?

23 THE WITNESS: Yes, I do.

24 THE COURT: Are parties in agreement with that  
25 instruction?

K2CAABRI4

Dr. Cantor - Direct

1 MS. BAHARANYI: Yes, your Honor.

2 MS. GALLICCHIO: Yes, your Honor. He was instructed.

3 THE COURT: I'm not faulting anybody.

4 Mr. Li?

5 MR. LI: We are, yes, your Honor.

6 THE COURT: That's wonderful.

7 I'll see tomorrow morning. We'll get started. You  
8 have to go through the security a little bit before ten.  
9 That's the way it works. So please arrive early and we'll have  
10 a good start at ten o'clock.

11 THE WITNESS: Understood.

12 THE COURT: All right. Have a pleasant evening and  
13 enjoy New York.

14 THE WITNESS: Thank you very much.

15 THE COURT: You may step down.

16 I am going to get comments on the charge and let me  
17 inquire.

18 You may step out, Dr. Cantor.

19 Please be seated for a moment. Let me inquire, after  
20 Dr. Cantor, what's next?

21 MS. GALLICCHIO: Your Honor, we intend to call  
22 Mr. Bright.

23 THE COURT: OK. And are there any witnesses after  
24 Mr. Bright?

25 MS. GALLICCHIO: No, your Honor.

K2CAABRI4

Dr. Cantor - Direct

1 THE COURT: All right. I don't know how long  
2 Mr. Bright's testimony will be but, an hour sound about right?

3 MS. GALLICCHIO: No. I think it's going to be,  
4 there's quite a bit to cover.

5 THE COURT: OK.

6 MS. GALLICCHIO: So I would say a couple hours at  
7 least.

8 THE COURT: Well, fine. As long as it's relevant  
9 testimony, that's fine with me and then we'll have  
10 cross-examination.

11 But the time has come for me to inquire, how long does  
12 the government anticipate on its closing argument and what I  
13 will allow you to do and this is my practice in I think it's  
14 probably everybody's practice but I want to find out about your  
15 closing summation and the defendant's closing summation. How  
16 much time do you think you want for your closing summation in  
17 this extremely short trial?

18 MR. LI: Your Honor, we think maybe 45 minutes.

19 THE COURT: Wow. That's what I get as a request in a  
20 week and a half trial. So that, I don't think is going to  
21 happen. So how long does the defense wish for their summation?

22 MS. GALLICCHIO: I would estimate an hour.

23 THE COURT: What could you possibly cover in a trial  
24 that's gone on for two days and will go, with jury selection  
25 that won't be two days?

K2CAABRI4

Dr. Cantor - Direct

1 MS. GALLICCHIO: Your Honor, there are pages and pages  
2 of text. There's 404(b) evidence that has to be covered.  
3 There's recordings. There's my client's testimony.

4 THE COURT: All right. Well, if you are going to go  
5 for an hour, how long do you think I should give the defendant  
6 to rebut a one-hour summation?

7 MS. GALLICCHIO: The government.

8 THE COURT: The government. Three minutes, something  
9 like that maybe?

10 MS. GALLICCHIO: I'm not making any suggestion, your  
11 Honor.

12 THE COURT: I'm inviting you to. OK? You don't want  
13 to make a suggestion, that's OK.

14 How long would the government like for their rebuttal  
15 summation?

16 MR. LI: Twenty minutes, your Honor.

17 THE COURT: OK. I will think about this overnight.  
18 It seems awfully unnecessary in a trial this long.

K2CYBRI5

1 MS. GALLICCHIO: Your Honor, Mr. Bright has a lot at  
2 stake.

3 THE COURT: He has an awful lot at stake. That  
4 doesn't mean that because he has a lot at stake that,  
5 therefore, a lot of time should be spent in a two-day trial.  
6 The jury has paid attention. They've heard the evidence. So I  
7 don't get your point.

8 If this were a murder trial that lasted two days, it  
9 would still be the same situation. Of course a lot at stake.  
10 A lot is at stake no matter who is accused of what crime. We  
11 can agree on that. Right?

12 MS. GALLICCHIO: Of course. Of course.

13 THE COURT: That doesn't justify --

14 MS. GALLICCHIO: I have to defend my client. I'm not  
15 going to ramble on and on, but there is a lot to cover here.  
16 Obviously your Honor has a different opinion of it, but I don't  
17 think an hour is excessive.

18 THE COURT: I'm going to take it under advisement.

19 MS. GALLICCHIO: Thank you.

20 THE COURT: And I'm taking the government's request  
21 under advisement because, again, I think the jury heard it.  
22 They heard the evidence. And they have a job to do, to decide  
23 whether or not, after they hear all of the evidence in the  
24 case, the government has or has not, based on the evidence and  
25 the lack of evidence, proven its case beyond a reasonable

K2CYBRI5

1 doubt.

2           So that's where we are, and I'll see you tomorrow  
3 morning. Don't forget to get the written comments uploaded.  
4 I'm going to ask you to do that by 9:15 tomorrow morning so  
5 that we can take a look at it. All right? Thank you all very  
6 much. Have a pleasant evening.

7           MS. GALLICCHIO: Thank you.
